

Discovery: Noisy Baby Animals! (10-Button Sound Books) By Thea Feldman 978-1684126866 The book it's self was lovely but came with water damage so was returned 978-1684126866 My 8 month loves this book!! 978-1684126866 The book is fun but since you can't turn the switch off it drains the batteries even when on standby. **Book discovery cove** After six months we are on our fourth set of batteries compared to other similar books that are still on their first (at similar use levels). **Discoveryholds folder full** 978-1684126866 Book looks great perfect for babies but ours unfortunately wasn't working: **Discovery books** 978-1684126866 The noises were perhaps a bit different than I'd expect: **Discovery ftp** One doesn't hear a seal every day...maybe I'm out of practise! Baby will enjoy it anyway 978-1684126866 My Granddaughter loves this book 978-1684126866 \$11. **Book discovery of witches** 72 shipping Discovery: Noisy Baby Animals! (10-Button Sound Books).
