Childrens Books Tonight on the titanic ship 0439086728 Another great Magic Tree House story; even out of order easy to follow. **Tonight on the Titanic history channel** It tells the tragedy of the Titanic the ship that couldn't sink. **Tonight on the titanicfire** With her fantastic Magic Tree House series Mary Pope Osborne keeps the good times rolling for kids all over the world. 0439086728 The story of the Titanic. Not everyone made it off the boat. I can't believe not everyone did. How sad. Now she wants to explore all the Magic Tree House books. He has an interest in the story of the Titanic.). No bringing anyone back with them and no changing history. This volume was the start of one such quest. First on the list: A gift from a ship lost at sea. The bad news of course is that it's the Titanic. Once things get going this book is non-stop fun. Some good came out of it though as regulations improved. The twins barely escape but they help a family first. (don't think that is a spoiler) Gentle enough for children. Fun enough for adults..
