

Undercover Bodyguard (Heroes for Hire, #6) By Shirlee McCoy **PDF Undercover bodyguard** But as Ryder and Shelby get closer to answers—and each other—the killer starts closing in...Heather's Notes I got tired of Shelby and her two strikes although the author does circle back around to it. **Undercover Bodyguard kindle app** She has over 50 so I am in for a treat as I only discovered her this year! She creates such wonderful characters swoon worthy heroes and includes a powerful spiritual dynamic. **Undercover Bodyguard kindle cloud** Other than keeping an eye on him to make sure he's not going to kidnap her till he disappears her walk to her delivery goes off without a hitch (minus being 5 minutes late). **Undercover Bodyguard kindle store** When the house Shelby Malone was delivering to explodes (he was sent by old lady Dottie to help Shelby) he leaps into action in order to pull Shelby away from the fire raining down. **Book Undercover bodyguardian** This mixed with the fact that Dottie hires him to watch out for Shelby (two donuts and a coffee per day) and the fact that he's actually worried about Shelby (and maybe attracted to her) has him following her about acting as her personal bodyguard. **EBook Undercover bodyguardz replacement** And how the hell do you pull off a wedding in 1-2 months??? They say you should be getting your dress AT LEAST 6 months in advance (I also think this is stupid but I see their point about orders and shipping and adjustments). **Undercover Bodyguard epub.pub** It would be a solid 4 stars if it were not for the unrealistic ending and the fact that I found Ryder a bit too pushy in some places and Shelby a bit too compliant in the same places. **Undercover Bodyguard booker** And most of the stuff I've read is series stuff so even when the story ends it's not really over you get to revisit the characters again in the next book or two or three.

Only someone tries to rob her bakery and shoots her in the back as she tries to flee. **Book Undercover bodyguardz** Ryder may be overbearing but maybe what she needs is her own Hercules protecting her, **Book Undercover bodyguardz** Nor do I like how Shelby mostly just takes it or agrees: **Kindle Undercover bodyguard book** It's not often that a suspense romance has the main character nearly offed 4 times, **Undercover Bodyguard booker** 5 star read for me though was the fact that Ryder and Shelby maybe were together (being generous here) for 2 weeks tops, **Book Undercover bodyguardz** Shelby is then in hospital with a serious infection for a month. **Undercover bodyguards hitman** At the end of the book she's out and still recovering so being generous again I figure she's maybe been out for 1-2 weeks, **Book Undercover bodyguardz** And you're proposing??? Maybe I'm just an old crotchety realist but I don't think that's a firm foundation for a marriage. **Undercover Bodyguard pdf filler** So doing some rough math they have maybe 1-2 months before the wedding, **Book Undercover bodyguardz** So you've known each other 3-4 months and you'll be married: **Undercover Bodyguard pdf editor** How does this work??? I would like a romance that doesn't spew out these unrealistic numbers and expect the reader to swallow it. **Undercover Bodyguard pdf editor** HOW do they pull this stunt off??? End unrealistic timeline romance rant! In Conclusion For the most part I liked this book, **Book Undercover bodyguardz** Full star lost for the ending not being at all (in my opinion) realistic: **EPub Undercover bodyguardz** I liked the way this story flowed how the relationship came to be so naturally over time, **Book Undercover bodyguardz** 224 I loved the story line and all the characters in this book: **Undercover bodyguardz replacement** She had some bad relationships before and is content to stay single, **Undercover Bodyguard pdf filler** As the threats against her heats up so is the growing emotion she

feels for Ryder. **EPub Undercover bodyguardz** She tries to run from her own feelings but we all know we can't do that... I really enjoyed this book. **Undercover Bodyguard kindle app** The old lady is this book made me laugh so many times. **Kindle Undercover bodyguard book** The only annoying thing about this book is the author repeated herself throughout the book, **Undercover Bodyguard ebook** I guess it was to put power behind the words I just found it irritating. Still knowing she's at risk is one thing. Admitting she needs a bodyguard is quite another. Especially when the bodyguard is Ryder Malone. Yet Ryder won't take no for an answer. Still knowing she's at risk is one thing. Admitting she needs a bodyguard is quite another. Especially when the bodyguard is Ryder Malone. Yet Ryder won't take no for an answer. Otherwise it was a pretty good book. I enjoyed it and liked the characters. I am a forever fan. Now he is out to silence her. Fortunately Ryder happened to be on scene as well. As the owner of a Security Contractor. 2 relationship failures and she's out. Someone set her house on fire. Okay this book was interesting. I waffle between liking it and not liking it. Ryder is pushy and overbearing in my opinion. I don't really like that. But that's just me. I did love the action though. That is just good story writing in my opinion. What made this a 2. Ryder proposes at the end of the book. So you've known each other for 2 months. One of those months was basic hospital visitation. Also Ryder wants a fall wedding. I want details. So it lost half a star for the pushy agreeable thing. Maybe just don't read the last bit. 224 Love anything by Shirlee McCoy. She keeps the story interesting from word one. Three Forever. Shelby is very independent working hard at her bakery. She does not want to depend on Ryder to protect her. She does not want to fall for him. Other than that I really did enjoy this book! 224.
