

Flirting with Ruin (Castonbury Park 0.5) By Marguerite Kaye **Flirting with ruinborg** She meets Major Fraser Lennox at a country party and finds out that passion does exist and she's more than capable of it! This was a great short story and introduction to the Castonbury Park series. **Book Flirting with ruins** com Join her on {site_link} Instagram Follow her on {site_link} TikTok {site_link} This book was far too short with hardly any proper background information on the characters which I found disappointing. **Flirting with Ruin ebook reader** All in all it was over far too quickly and the abruptness of it all hasn't enticed me to look any further into this series at the moment 42 I can't turn down a book offered for free on the Kindle set in Historical Romance Times Past by an author I mostly enjoy! Its a short book (really a novella) but there's a bit packed into it and felt like the set-up that it (probably) was. **Book Flirting with ruina** We learn just enough about Rosalind's friend Kate and her family to know that when next we meet this family one of the daughters or the feckless son shall be ensnared in love's crosshairs. **Flirting with Ruin booking** The end I think is what made me enjoy the book then I think I initially thought I would--Kaye doesn't make make this a 'We've known two days we should be in forever love let's get married!' story. **Book Flirting with ruinous** She has both Fraser and Rosalind realize that together they can have quite a bit of adventure and fun so why not just go traveling together (since neither cares about society anyhow)? No mentions of love forever or matrimony (though I'd lay odds in one of the companion books we find out they do get married but that's fine since at least they would KNOW each other by then) just straight up 'You're fun why let it end?'. **Book Flirting with ruins** An enjoyable and short tale I really liked and engaged with the hero and heroine - but it did not seem to me really that Rosalind really flirted with ruin that much until she meets Fraser despite her saying so. **Ruin and rising kindle** Cute since it doesn't push the usual we are madly in love after knowing each other for only 3 days > but more we are modern people and choose to embark on an adventure together because we have amazing chemistry. **Book Flirting with ruination** Even on the last page - it says that Fraser is giving Kate champagne glasses in the carriage (instead of Rosalind) - and we know it's actually Rosalind in the carriage with him. **Book Flirting with ruinous** It's refreshing in a way to see a story end so differently but I might have liked an epilogue to show that they had in fact fallen in love and not realized part way on their journey to Australia that they can't abide each other:

It seemed more believable that they would get to know each other first. **Flirting with Ruin pdf converter** Hopefully we will find out what happens to them in the other novels in the series: **Book Flirting with ruina** 42 Flirting with Ruin is the first in the Castonbury Park series by Marguerite Kaye, **Book Flirting with ruinart** It's a great introduction to the series full of romance and passion: **Book Flirting with ruined life** Lady Rosalind is a widow who is looking for a little excitement in her life. **Flirting with ruination book** Her husband was puritanical and felt the marriage bed should be endured rather than enjoyed, **Flirting with Ruin pdf converter** We met many characters in this story and I can't wait to read all of their stories in the following books. **Historical Fiction Flirting with ruined love** Lady Rosalind is a wonderful character full of life and trying to find her excitement while staying within the confines of proper society: **Flirting with ruining christmas** Major Lennox is war hero.

A nice little Regency novella which opens the Castonbury Park continuity series, **Flirting with ruindad significado** As it is an opening to the Castonbury Park novels there were quite a bewildering array of characters introduced and mentioned but I understood why this had to be. **Flirting with ruiner nergigante** It does certainly set up the reader to read those other stories. **EPub Flirting with ruiner** *Spoilers* I particularly liked the non traditional ending where Rosalind and Fraser go off together without mention of marriage: **Book Flirting with ruiner** As the story was so short who is trying to find his way now that the war is over: **Book Flirting with ruina** For the month of July this book is available for free from Amazon: **Flirting with ruinborg** A war Major and a 26 year-old widow have a chance encounter and think they will never see each other again: **Flirting with ruining christmas** They of course do meet again and their passionate affair starts, **Kindle Flirting with ruined books** Since they are both seeking adventures they decide to travel the world together. **Flirting with Ruin epub free** Not as a novel but as a short story it could have easily gotten 5* had there not been grammatical and other mistakes. **Flirting with ruinborg** 42 This is a very non-traditional type romance that I'm not sure I liked but I enjoyed reading: **EPub Flirting with ruination** The heroine Rosalind is a widow who has been seeking scandal. **Flirting with Ruin book series** The story seems to imply that she's looking for passion and adventure after her staid and boring marriage though background in this character is very scarce. **Book Flirting with ruiner** Major Lennox (Fraser) is just out of the army and trying to figure out what to do with his life: **Flirting with ruining** These two meet and have an instant attraction and kind of do the one-night stand thing, **Flirting with ruindade pura** This is non-traditional in that the characters don't fall in love in this story they don't get married nor do they seem to want to settle down. **Flirting with ruin kindle download** The characters fall in lust and discover some amazing chemistry and sex and then decide that they should travel together. **Book Flirting with ruining** Nice little short story with two likeable characters and a HFN; I can understand why some readers wouldn't like the way it ends but it worked for me: **Book Flirting with ruining** I would like to read a longer novel about these characters with a more solid HEA but I don't think that would have fit within the time frame here and that's okay: **Book Flirting with ruination** 42 Lady Rosalind Rhees has dedicated her life to being as scandalous as possible--it's the only way she can escape society's

expectations: **EPub Flirting with ruinous** Unfortunately flirting with ruin hasn't been as exciting as she'd hoped. **Flirting with Ruin epub free** Until she meets Major Fraser Lennox at a country party--and gets a taste of just how delicious forbidden desire can feel, **Flirting with Ruin epubs** But is she daring enough to follow her heart on the strength of one sizzling night? **Flirting with Ruin** (Castonbury Park 0.Find out on her website at {site_link} www.margueritekaye.com.Find out on her website at {site_link} www.margueritekaye.com.Rosalind and Fraser are a fun match. The hero is divine and the heroine charming. A little bit of sizzle. Looks like being a lot of fun. 42 A lovely novella. Thoroughly enjoyed it. There are sensual scenes from the very start.Both are very well developed characters for such a short-story. I read it in about an hour. The story flows well and keeps the reader engaged. I can't wait to read the rest of the series. 42 Great short story. Early 19th century. And that is their HEA. 42 3.5 stars.5).
