

Satanic Strategies in the 21st Century EXPOSED By John Darnell John and Glenys Darnell pray with people who tell that they have served Satan for their entire lives and who are now breaking free from a lifetime of unbelievable horror and abuse.

By any measure what this book talks about is controversial. Predictably there are concerned people this guy listens to demons what he believes is dangerous and other things, The author believes there is an ongoing war being waged between forces loyal to God and forces loyal to His sworn arch enemy - Satan, This war is being waged both in the spirit realms and here on earth, It is not a fictional war the Bible tells us that it is absolutely real. It involves people spirits and now the hybrid offspring of the two nephilim as Satan seeks to gain complete control of this planet: Some of these people also report having been used for infernal human/spirit breeding experiments: To their shock John and Glenys discovered that what they were hearing was paralleled to an amazing degree by those who report having been abducted by UFOs: Their There is an advanced breeding program run by Satan and those loyal to him preparing an army for the antichrist: This book is written for Christians who believe that the war described in the Bible is ongoing and who want to be better equipped to fight for Jesus Christ. Ask God for yourself if He wants you to read it. Satanic Strategies in the 21st Century EXPOSED
