

The Lightning-Struck Heart (Tales From Verania, #1) By T.J. Klune **The Lightning-Struck Heart kindle unlimited**)Now that I've finally let it out onto the review!If you are a hardcore fan of fantasy books magic wizards and medieval kingdoms you may think "Pffft! Puh-lease! I've seen (or read) it all. **Book The Lightning-Struck heart** So to give it justice I'll follow Sam of Wilds with the whole capitalization thing such that this book officially is The Most Awesome and Epic Fantasy Book of All Time! God that felt great. **The Lightning-Struck Heart kindle store** Make no mistake the book was set during the medieval times but it was more like being in an alternate universe where the medieval people are updated with everything happening on social media and the contemporary gibberish of our era. **The Lightning-Struck hearth** But if you're worried there's no concrete plot I'm quoting Sam when he reflected on the many (and I say that exaggeratedly) twists he went through: That night I lay on my back on the roof of the keep watching the stars above wondering just how in the hell my life had gotten to this point. **Book The Lightning-Struck heart** " As much as this book made me laugh I can't count the number of times I also cried because don't we all deserve that love? I realized we were (or are or will be) Sam of Wilds at some point in our also badass lives. **Book The Lightning-Struck heart pdf** It has over the top humor supportive and amazing parents a mentor with a ridiculous amount of patience a gay hornless unicorn who is a sassy bitch a gentle nine-foot giant a dragon named Kevin a dashing and immaculate knight a misunderstood grumpy prince an amazing king and of course a wizard with verbal diarrhea. **The Lightning-Struck heartfelt** "Or perhaps you meant bondage? Is that what you meant pretty? You need me to tie you up and choke you on my dick? Make you scream as I twist your little nipples? Make you—" "That's not what I meant at all. **Book The Lightning-Struck heart of darkness** Gay Lesbian 5 StarsThe Lightning-Struck Heart is a grand fantasy-adventure featuring an adorably hilarious wizard's apprentice his epically awesome parents his best-friends in the form of a fabulous and fierce gay unicorn and a sweet half-giant a kind-hearted King and his petulant (but redeemable son) two wizened older wizards a sex-crazed vegetarian dragon and a dashing and immaculate young knight. **The Lightning-Struck heartache medication** The fantasy elements were also stunning showcasing a rich and detailed fantasy land full of mythical creatures and magical beings that effortlessly captured my heart yet also provided a laugh-a-minute with their ridiculous antics and sassy banter. **Book The Lightning-Struck heartland** I certainly highlighted more than in any book I've ever read (112 highlights at last count) re-reading passages over and over again just to absorb the hilarity and genius as much as humanly possible. **The Lightning-Struck heartkinetics** There is frustration and heartache—on my behalf as well as theirs—but in true fairy-tale fashion there is also the most magical and epic of happily ever after in store for these two oblivious idiots. **The Lightning-Struck Heart epub** *****Re-read: July 2020 (Audio Edition)In this audiobook is that everybody should read this book !! I can honestly say that this book will probably be my favorite read of 2016. **The Lightning-Struck heartburn symptoms** Can't wait for the other books in this series !!!!If I could give this one 10 stars I would but I will just give it the 5 well-deserved ones ;) I haven't laughed this hard in a long time :))) This review is posted on Wendy's Wycked Words Gay Lesbian Amazon Pre-Order: [http://www. are the home-wrecking or cheating type and they avoid revealing their true feelings at all costs. **The Lightning-Struck heartfelt** I'm sure that like myself some readers will comment as to a lack of relationship building; however as the story was written I didn't see how that could have really come about -- without them cheating. **The Lightning-Struck Heart ebooks** But that didn't mean I couldn't be creepy and have this one fucking moment where I could pretend and wish and hope and dream and yes now I had an erection and it was fucking awful. **The Lightning-Struck hearth** ** I only say 'almost' because I tend to be an impatient bitch but if they had cheated it would've ruined the entire experience for me so I'm truly thankful that they didn't. **The Lightning-Struck heartfelt** But honestly? I wouldn't have changed a thing and can't wait to read the next book which there had better be or somebody's gonna die in a Shit Storm of Glittery Unicorn Rage. **The lightning-struck heart audiobook** Yes I capitalized it because it's an honest-to-God thing people! ;-)It's been a while since a book this long has kept my enrapt attention so a full 5 motherfucking *Dashing-and-Immaculate* stars for this ridiculously fun epic tale. **Book The Lightning-Struck hearts online** -----** UPDATE 10/2015: TJ has a *FREE* 50'ish page Tina DeSilva follow-up story for The Lightning Struck Heart on his blog! *tingles*Tales From Verania: The Tragic Life of Lady Tina DeSilva<http://tjklunebooks>. **The Lightning-Struck hearth** For current Paperback edition see: The Lightning-Struck Heart Once upon a time in an alleyway in the slums of the City of Lockes a young and somewhat lonely boy named Sam Haversford turns a group of teenage douchebags into stone completely by accident. **The lightning struck heart pdf** Naturally it all goes to hell through the years when Ryan dates the reprehensible Prince Justin Sam can't control his magic a sexually aggressive dragon kidnaps the prince and the King sends them on an epic quest to save Ryan's boyfriend all while Sam falls more in love with someone he can never have.

EBook The Lightning-Struck heartland

Extremely funny book except I found it farcical and stereotyped; like a 400+ page slapstick SNL impersonation of the LGBT individual, **The Lightning-Struck heart** I'm sorry but I was not amused and had it not been for the presence of Kevin- the dragon- this would have been rated one star, **The Lightning-Struck heartful** Gay Lesbian First of all I just want to let it be known that this book deserves to have a sequel no matter how obvious it was that it certainly will. **The Lightning-Struck Heart epub** But just so there's no sliver of doubt and I can have peace of mind I'll say it again: The Lightning-Struck Heart must have a sequel: **Epub The Lightning-Struck hearts card** Klune? Huh? Huh?! (I'm not really good at taunting authors: **Book The Lightning-Struck heart "** But if you haven't read this book I can assure you that you haven't seen it all. **EBook The Lightning-Struck hearts card** And that's probably my cue to throw the book right on your smug face. **Book The Lightning-Struck heart rate** Although I'm not really a fan of violence and that's kind of cruel to the book and I only have my iPhone for a reading device so that would be unwise and stupid: **EBook The Lightning-Struck heart pdf** But you get the point yeah? To say that this book is epic and awesome would be an understatement: **Book The Lightning-Struck heart pdf** In all honesty though I've never had the pleasure of reading a book of this caliber. **Book The Lightning-Struck heart of darkness** Okay not a good metaphor but still! Everything was just amped up - like every time your favorite song comes on the radio and you can't help turning the volume to max. **The Lightning-Struck heartkinetics** do that? The banter? The cursing and the dirty talk? The sex puns? Never forget the sex puns, **Book The Lightning-Struck heart pdf** I know you're thinking "If the 171K of words is mostly this kind of shit where's the story? Is there any substance at all?" Yeah I read your mind buddy. **The Lightning-Struck Heart epub free** Then I realized it was mostly my fault and that made me sort of depressed and happy all at the same time: **Book The Lightning-Struck heart of darkness** I told myself that it was because I was extraordinarily complex: **Book The Lightning-Struck heart of darkness** I'm stopping there because you don't want to know the rest of what he said (spoiler: he contradicted the whole thing). **The Lightning-Struck Heart kindle book** Despite the shenanigans and the madfuckery that this book contain the story was extraordinarily complex. **The Lightning-Struck heartful** All of them even the secondary characters were unique and bursting with vibrant personality. **The Lightning-Struck Heart epub** Well in the case of Sam and Ryan - frustratingly arousing and coated with deep sexual tension, **The Lightning-Struck heartcode** I never expected to be affected by it so much I had the case of blue balls for 3 days. **Kindle The Lightning-Struck heart of darkness** But foreplay with just words? Talk about enlightening! Okay I got a little sidetracked there. **EBook The Lightning-Struck heartland** I assure you this has the right mix of humor and a great plot going on, **Book The Lightning-Struck heart pdf** Yeah he was badass and all kinds of awesome but that's not the reason you will love him. **Book The Lightning-Struck heart rate** Even though he will probably be the greatest wizard of all time I was warmed by his vulnerability. **The Lightning-Struck heartkinetics** He is an underdog through and through and I can't help but empathize with him: **The Lightning-Struck heartache** He is the epitome of martyrdom and the face of unrequited love. **Book The Lightning-Struck heart rate** He is a walking irony - powerful and helpless at the

same time, **The Lightning-Struck heartfelt** He is the heart of this story because it's his very humanity for which you will feel that deep resounding connection. **Struck by a lightning bolt chapter 1** The endless pining and the insecurities? Been there done that, **Book The Lightning-Struck hearth** Someone who will love your hair and your words and your eyes and the way you scrunch up your nose when you're thinking hard on something. **The lightning struck heart audiobook** He will love you for all of the things that you are and all of the things you aren't: **The Lightning-Struck Heart epub's air** He'll love you beyond all reason and will be convinced that you hung the sun and the moon, **The Lightning-Struck Heart publishing** Someone will love every single part of who you are and my gods I can't wait for the day to meet him to tell him thank you: **The Lightning-Struck heartfelt** Because of this Sam will probably be one of my most favorite protagonists of all time: **The Lightning-Struck heartburn symptoms** Klune you are my new hero! Gay Lesbian Re-read October 2020 This is the one book I can read over and over again and never get enough of: **EPub The Lightning-Struck heart** But it was also beautiful sweet and it broke my heart in the best way possible (because there is so much pining it was awesome): **The Lightning-Struck heartfelt** Ever since I've known you you've struck my heart and now I have to let you go because you're not mine to keep, **Book The Lightning-Struck heartland** Knight Commander Ryan Foxheart was climbing slowly out of the river water cascading down his body dripping over miles and miles of muscle. **Book The Lightning-Struck heart of darkness** "Is that what you're called? Pimps? Brothel owner? Whoremaster? Queen of the Fuck Palace?" And how can I express my love for all the other amazing characters. **The Lightning-Struck Heart epub free** We were just the kind of friends that tied each other up and pushed our penises together. **The Lightning-Struck heartkinetics** "Then he leered at me his lip curling tongue snaking out between his fangs. **Audio books the lightning struck heart** "Okay so how would you feel if you looked like you had boobs?" heartful Seriously I have not a single complaint or wish for change in any way shape or form, **The Lightning-Struck hearth** To me this was the perfect book and I have no doubt it will remain a favourite for the rest of my days, **Book The Lightning-Struck heartland** If you want to step into a world of magic and creatures and romance all while laughing your ass off at every page then you should start reading this one , **The Lightning-Struck hearth** right now !!This book is about Sam of Wilds a 20-year-old wizard apprentice and his two best friends. **The Lightning-Struck Heart epub free** Gary a snarky and sassy gay hornless unicorn and Tiggy a sweet and very protective half-giant who loves to smash things: **EPub The Lightning-Struck hearthstone** Then there is also the man Sam has been crushing on since he was 15 years old (and with crushing I mean jerking off while fantasizing about him): **Book The Lightning-Struck heart pdf** Too bad Ryan is about to be married to the prince of Varnia prince Justin, **Audio books the lightning struck heart** the same prince Sam will serve in the future when he becomes king, **The Lightning-Struck heartful** When Justin gets kidnapped by a dragon it's up to Sam Gary Tiggy and Ryan to go and rescue the man, **Book The Lightning-Struck heart** Which is the start of one of the funniest adventures I have ever read about, **The Lightning-Struck hearth** it's too much to explain and I probably wouldn't make much sense, **The lightning struck heart audiobook** It was soooooo good and it made me soooo freaking happy :) I think TJ Klune himself is magical , **Book The Lightning-Struck hearth** And so it begins again:Coming July 20th 2015 from Dreamspinner PressThe Lightning-Struck HeartBy TJ KluneA romantic comedy of stupidly epic proportions. **Lightning strikes the heart** Of course this catches the attention of a higher power and Sam's pulled from the only world he knows to become an apprentice to the King's Wizards Morgan of Shadows: **The Lightning-Struck heartful** When Sam is fourteen he enters the Dark Woods and returns with Gary the hornless gay unicorn and a half-giant named Tiggy earning the moniker Sam of Wilds: **Book The Lightning-Struck hearts online** At fifteen Sam learns what love truly is when a new knight arrives at the castle: **Book The Lightning-Struck hearth** Sir Ryan Foxheart the dreamiest dream to have ever been dreamed. **Book The Lightning-Struck heart pdf** 5 stars*Soooooo much to say about this one! First of all I'm a MEGA T, **The Lightning-Struck heartful** I love his particular brand of humor and I think that he is an extremely talented writer: **The Lightning-Struck heartkinetics** I preface with that because all of you should know that my rating and review is coming from someone who is a self-proclaimed T, **The Lightning-Struck hearth** So what do you need to know about this one? What is the deal with this story? I'll break it down for all of you: **Kindle The Lightning-Struck heart book** book recently you are already well acquainted with the characters in this book: **Book The Lightning-Struck heart pdf** No these are not people who we've seen before but they are strikingly similar to some of T: **Book The Lightning-Struck heart pdf** In the same way that Bear Ty and Paul had no filter and sort of just blurted out ridiculous things so does Sam the main character here, **Audio books the lightning struck heart** He is the same funny everyone loves him but sort of wants to kill him person as we've seen before in many of T, **The Lightning-Struck heartful** I really liked Sam even though he was willfully oblivious to the point of painful: **Book The Lightning-Struck hearthstone** It was also a little annoying how everyone and I mean EVERYONE loved him but I still found him to be a great protagonist: **The Lightning-Struck heartagram** However my favorite characters were Tiggy (I SMASH!! You'll see: **EPub The Lightning-Struck hearth** I just LOVED the idea of a hornless unicorn who was into some weird freaky-deaky sex stuff, **Book The Lightning-Struck hearth** He just cracked me up! I also loved Ryan (aka Knight Delicious Face), **The Lightning-Struck heartkinetics** I tootally got the appeal and I also wanted to squish his sexy face and bone him, **Book The Lightning-Struck hearth** Now this is where my warning comes into play: THIS BOOK IS FOR T, **The Lightning-Struck Heart epub online** The humor is non-stop every page is just ON and if you found previous T, **The Lightning-Struck heartful** Klune books to be over-the-top you will not like this one: **The Lightning-Struck Heart epub torrent** This book is even more over-the-top with each page sort of getting more and more ridiculous, **EBook The Lightning-Struck hearts online** I looooved the back and forth between the characters I loved the nicknames I loved the humor but even I a HUGE T. **Book The Lightning-Struck heart rate** In my opinion it was

incredibly enjoyable to read a book that was so light and fun, **Book The Lightning-Struck heartland** I think the fantasy realm is meant as another vehicle for T. **EBook The Lightning-Struck heart full book** 's imagination and this book is not meant as a heavy-duty fantasy novel. **Struck by a lightning bolt chapter 1** For example the King jokes around with Sam like he is Sam's bestie and not a ruler of the kingdom, **The Lightning-Struck Heart epub.pub** There is NO formality in the castle and everyone gets in on the puns joking and sexual innuendoes: **Book The Lightning-Struck hearthstone** This book is super long clocking in at 400+ pages and I think it could have been cut down a lot: **The Lightning-Struck heartfelt** While there is a story arc the book is mostly just one zany happening after the other. **Book The Lightning-Struck heart pdf** I also wish the editor had been a bit more careful because I found numerous grammatical mistakes which always irks me, **The lightning struck heart audiobook** The romance element of this book grew on me more and more: **The Lightning-Struck hearth** For almost the entire book Ryan is engaged to someone else. **The Lightning-Struck heartedness** That made the relationship-building element a little difficult for me to get on board with, **Book The Lightning-Struck heart pdf** However over time I grew to be totally team HaveHeart and a big Foxy Lady (you'll see, **The Lightning-Struck heartburn symptoms**) and I was SOOO ready for these two guys to just get their act together! I also understood the attraction between the two men a little more as the book went on: **Lightning strikes the heart song** Just one tiny scene with some nookie but if you are looking for some detailed action look elsewhere: **The Lightning-Struck hearth** and you can't get enough of his particular brand of humor you will simply adore this one, **The Lightning-Struck heartfelt** It is lighthearted but heartfelt and though I think it could have used some tweaking it was a classically funny T. **Book The Lightning-Struck heart by john** *Copy provided by the publisher in exchange for an honest review* Gay Lesbian No words, **Book The Lightning-Struck heart by john** I may have a *few* words (I am still me after all) but in all seriousness. **Book The Lightning-Struck hearts online** (Literally) From start to finish I was never bored not even for a single paragraph of its considerable 400+ page length, **The Lightning-Struck heartdrum imprint** wizard's apprentice (to Morgan of Shadows) with more blurry unfiltered goodness in him than one could possibly imagine. **Book The Lightning-Struck heart of darkness** And folks he is a fierce snarky BITCH so watch out or someone's going to lose a testicle, **The lightning struck heart audiobook** Sam's other best friend is Tiggy a nine-foot-tall half-giant who may not be the brightest marble in the bag but he protects Sam and Gary with a fury best not tested, **The Lightning-Struck heartache medication** It's a good way to be wearing your insides on your outsides. **Kindle The Lightning-Struck hearts online** Knight Commander Ryan Foxheart who makes everyone in the kingdom swoon, **Book The Lightning-Struck hearth** But Sam most of all I capitalized it because it's a thing. **The Lightning-Struck hearth :-)** (Sam does that a lot in the book as well which I found cute and endearing: **The Lightning-Struck heartfelt** But when a dragon kidnaps Prince Justin (yay and good riddance to bad rubbish I say) the King requests that Sam accompany Ryan on a quest to rescue Prince Justin: **EPub The Lightning-Struck hearth** *slow-clap* And thus Sam's Plan to Avoid Ryan at All Costs comes to a swift and abrupt end. **The Lightning-Struck heartfelt** God their back and forth was a true thing of beauty as spending week after week together begins to solidify the previously-uncharted longing in their hearts: **The Lightning-Struck heartcode** But sadly there's still Prince Justin who they've been sent to rescue, **The Lightning-Struck heartache tonight** Dear Dragon I've heard Justin is quite delicious: **Book The Lightning-Struck hearthstone** So I understood and just went with the happy blurry fairly-uncomfortable flow between Sam and Ryan enjoying the ride and allowing events to play out. **Lightning strikes the heart song** Now was Knight Commander Ryan Foxheart climbing slowly out of the river water cascading down his body dripping over miles and miles of muscle. **The Lightning-Struck heartdrum** He wore nothing but a thin white undergarment that stuck and clung to his groin and thighs: **Kindle The Lightning-Struck hearth** He reached down the muscles in his back flexing as he scooped up water in his hands and brought it up and over his head, **The Lightning-Struck hearth** He was lines and corded muscle definition and carved from stone, **EPub The Lightning-Struck heartland** If I had

let my eyes linger I would have sworn I could see the outline of his cock through the wet fabric. **The Lightning-Struck heartcode bls** There was green and gold and it was so fucking bright that I almost had to shut my eyes from the weight of it, **Book The Lightning-Struck hearts online** "I swear he's doing this on purpose" Gary whispered hotly. **The lightning-struck heart audiobook** I refuse to be that bitch so no more plot points but I will lastly divulge that:1, **Kindle The Lightning-Struck heart pdf**) Sam and Ryan do (as expected) get their happily ever after. **The Lightning-Struck Heart epub**) The sexy scenes once they finally finally FINALLY get together are almost worth the wait and very worthy of the rest of this very good book, **The lightning struck heart audiobook** In this book the banter is non-stop which I personally loved, **Book The Lightning-Struck heart rate** But be warned much the same as some readers felt that TJ's Tell Me It's Real was way over-the-top there's much the same feel in this book. **The Lightning-Struck heartkinetics** So if I had to make a guess if you loved Paul and Sandy's banter in Tell Me It's Real then I *think* you will love this one too. **The Lightning-Struck hearten** However if you hated that type of humor this book has *way* more of it than TMIR ever dared dream so keep that in mind when deciding to read. **The Lightning-Struck heartkinetics** -----My ARC copy of the book was provided by the publisher in exchange for a fair unbiased review. **The Lightning-Struck Heart kindle book** I will be listening to the audio book again in the future, **Audio books the lightning struck heart** Wizards unicorns a dragon? Sign me up! (Val you heard that right? Dragon: **The Lightning-Struck Heart epub**) The story follows Sam who is an apprentice to the wizard. **The lightning struck heart audiobook** "I don't have time for all the relations and courting and wooing bullshit" I said: **Lightning strikes the heart song** "He has a best friend who is a hornless gay unicorn, **Audio books the lightning struck heart** "Did you just call me a horse? Listen here you two-legged bag of shit: **Book The Lightning-Struck heart pdf** I am a unicorn and I am magic and a beautiful creature made of fucking sunshine and rainbows and good feelings: **The Lightning-Struck heartburn** I will not name him because there's gonna be this huge reveal about his name, **The Lightning-Struck heartbroken** Apparently dragons are very VERY particular about names they pick for themselves. **The Lightning-Struck Heart kindle app** Yes so this dragon comes and abducts the prince and now Sam and his friends along with the knight embark on a journey to save him. **Kindle The Lightning-Struck hearts online** This book was hilarious but at times even touching and I couldn't help but fall in love with all the characters. **Book The Lightning-Struck heart by john** He whispers in my ear to go ahead and use rainbow colors on my book edits. **Book The Lightning-Struck hearthstone** meanwhile my blog buddy Arianna keeps telling me BIOTCH THAT'S UGLY! when I show her my teasers: **The Lightning-Struck heartfelt** #truestory Gay Lesbian This edition is out of print. **Heart shaped lightning strike** Of course this catches the attention of a higher power and Sam's pulled from the only world he knows to become an apprentice to the King's Wizard Morgan of Shadows: **Book The Lightning-Struck hearts online** When Sam is fourteen he enters the Dark Woods and returns with Gary the hornless gay unicorn and a half-giant named Tiggy earning the moniker Sam of Wilds: **Book The Lightning-Struck heart pdf** At fifteen Sam learns what love truly is when a new knight arrives at the castle. **The Lightning-Struck heartkinetics** Sir Ryan Foxheart the dreamiest dream to have ever been dreamed: **The lightning struck heart audiobook** The Lightning-Struck Heart (Tales From Verania #1) TJ KLUNE is a Lambda Literary Award winning author (Into This River I Drown) and an ex claims examiner for an insurance company: **Lightning strikes the heart song** His novels include The House in the Cerulean Sea and The Extraordinaries, **EBook The Lightning-Struck heartland** Being queer himself TJ believes its important—now than ever—to have accurate positive queer representation in stories, **Kindle The Lightning-Struck heart book** TJ KLUNE is a Lambda Literary Award winning author (Into This River I Drown) and an ex claims examiner for an insurance company. **Book The Lightning-Struck heart rate** His novels include The House in the Cerulean Sea and The Extraordinaries: **Book The Lightning-Struck hearts card** Being queer himself TJ believes its important—now than ever—to have accurate positive queer representation in stories. It's comic perfection. It's pure genius. It's 100% my favourite audiobook of all time. Gay Lesbian It was

time for yet another re-read. It is way too complicated and ridiculous to explain. That plot point was crazy funny. "The one and only time that I went." "Of the four times that I've been." "On my eighth time there." "Of the twenty-six times that I've attended." Hilarious. Price. Less. No scratch that. The Lightning-Struck Heart cannot not have sequelssss. You hear me T.J. It felt like being high all the time. And I dare ask: How does T.J. I was practically crying and wheezing. "You mad bro?" "Love you boo!" "Dat. Ass." "Baby. Look at me. Hey. Baby. Listen." "Ooooh girl!" "Don't need no mens. Genius and uncensored! Exasperatingly funny but genius nonetheless. I think this broke all literary conventions. It was practicing poetic license at its finest. And I see where your mind is going. I'm also a wizard. No I'm not. But I do agree (before he contradicted himself). It was unpredictable and unconventional. Each chapter practically a subplot of epic proportions. And the characters? Dynamic and non-stereotypical. Reading their banter was endearing. Yes imagine! Or don't imagine. But yeah if you're worried about the storyline don't. You have to hand it to Sam though. I was mostly drawn to him. We've all been down that road at one point in our life. "There's someone out there for you. He will see the stars and wish for only you. We also wish the same things he did. We also give it everything we've got. T.J.J. Girl from here on. But in a good way. Full review? We don't know her.-----
-----BEST BOOK EVER!! I freaking LOVED this book. This book is hilarious. "It's you" I said not able to look away. "It's how I feel when I'm with you. How I think I've always felt. You're my lightning-struck heart. I need someone that I can be strong for. But I need someone who can also be strong for me." I cannot express my love for Sam enough. Sam a 20 year old wizard apprentice. The most powerful there is actually. Sam who doesn't know how to shut up ever. And his pining for Ryan was just EPIC. "I swear he's doing this on purpose" Gary whispered hotly. "I swear I want to do him on purpose" I breathed. "You okay Sam?" Ryan asked and his voice was husky. So I blurted out "I've got wood." Gary turned his head slowly to gape at me. "Oh dear gods" I muttered. Then louder "Wood. I brought the wood. I've got so much wood. Wood. Fuck. Firewood. I've got firewood. For the fire. Because it's going to get nipples out tonight. Cold. It's going to get cold out tonight. Sweet molasses." And Ryan I loved Ryan. He was awesome. I've heard of you... people." Oh gods. Mama cocked her head at him. To most it wouldn't have seemed like anything. But for those that knew her Mama was coiling to strike. "What do you mean by you people?" she asked. I had to stop the bloodshed before it could start. "He means—" "Pimps" Ryan said. Gary the gay hornless unicorn. "When were you tied up?" I asked again. "It was that centaur we met last year. In the elf realm." "You said you were just friends!" "We were." Tiggy the half giant. "You want mouth full of knight" Tiggy said. "Knight take your flower and eat it." Kevin the dragon. "Why are we even out here!" "Bonding" Kevin said. "You said that we needed bonding." The king. "Hypothetically... no. Nor do I know if I want to." "Am I busty?" "Very. You also have three of them." "Good. Proceed." I have so much love for them all. Especially since Sam had no idea how Ryan was feeling. Until the truth corn of course. No way around it after that. "When you do anything I get hard really. Even your ridiculous sex puns." "I wanted to tell you that you gave me an e-rock-tion." Ryan bent over and banged his forehead against the table. "Why why why did I say that out loud? Please. Someone. Anyone. Kill me. This book had everything I ever wanted in a book. You couldn't ask for more. In my eyes this dude can do no wrong. It was comedy brilliance pure and simple. and the year has just begun. That's how awesome this book is. The dashing and immaculate Knight Commander Ryan Foxheart. "Look. This has been... fun." Lie. This had been nerve-racking and I needed to go masturbate. "But I have to go. I've got stuff to do before I head out again." Masturbate. "Wizard stuff. Like... secret wizard stuff." Masturbate. Like I said. I can't go into the plot much further because
really. amazon.com/Lightning-Struc.DSP Pre-Order: <http://www.dreamspinnerpress.com/stor>. (Or quite possibly just epically stupid. Or so he thinks. **** Gay Lesbian *Kindle Freebie 3/22/18!!**3.J. Klune fan. J. fangirl. The characters. If you have read a T.J.J.'s greatest from his previous books. J.'s books. That isn't a bad thing but it rings very familiar.) and Gary. Gary you bad boy you. The humor. J. KLUNE FANS ONLY. J. The banter is constant. J. Fan could see how it could become tiresome. The world-building. I'd call this fantasy ultra-light. J. The plot. Now this is where I found this book to be a little. sticky. The beginning especially is really repetitive. The romance. Sex

content. Ladies and gentlemen there is almost no sex in this book. Be prepared. Moral of the story. If you love T.J.J. read with a beautiful HEA. Should have sent a poet. Okay I lied. I. Loved. This. Magical. Book. Sam of Wilds is a 20 y.o. And it was a (slightly blinding) sight to behold. Sam's best friend is Gary a hornless gay unicorn. Gary's also a wee bit vain. Just a touch. And quickly. Then we have Sam's would-be love interest 25 y.o.) "You capitalized that didn't you" Morgan sighed. "I did" I said. "That's how you know it's epic." Gary's rage glitter subsided. "The most epic there could be. Yaaaay. Yes again capitalized because it's a thing. Bon appetite! I'll supply dessert. And Christ how Sam was tested during that journey. His nipples were pebbled. His chest was covered in a smattering of wet hair. My skin felt tight and flushed and I wanted. "I swear I want to do him on purpose" I breathed. Gary choked and I didn't care. I would never have him. I knew this. It wasn't meant to be. HAWT! Okay that's all for possible spoilers folks. -- and --2. For me that was a good thing keeping me fully-engaged. blogspot.com/2015.----- Gay Lesbian ☐ Oh T.J. Klune I'm sooo happy I discovered your books. This one here is just awesome. I laughed so hard. I saved it. uhuh. Anywhoooo. ☐ Oh yeah so. Just one. But he's fabulous. He does magic and shit. "I'm a wizard. I have quests." "Uh you're an apprentice" Gary said. "And you're sent on errands. ☐ Oh I'm sorry that was incredibly racist of me. A zebra is a horse. And a unicorn most certainly is NOT. "Horse?" Gary snarled. The pretty unicorn act dropped immediately. Red sparks shot from his nose. I'm not a motherfucking horse." ☐ Anywhoooooo. Sam is in love with a knight. Just one teeny problem. That knight is betrothed to the prince. HUUUUUGE bummer. ☐ Then there's a dragon. ☐ I lurved this book hard. T.J. Klune's type of humor is just my thing. Especially with Gary. #truestory GARY is my new imaginary friend. Like don't be afraid and select neon green today. Thanks. You kill my spirit. And Gary will snort glitter all over you. Or so he thinks. {site_link}.
