

Don't Make Me Beautiful By Elle Casey **Book Don't Make Me beautiful women** I'm always very impressed when a book comes along like this where I can genuinely respect each one of the characters and where the drama comes from completely external sources. **Don't Make Me Beautiful fantasypros** There was a twist in the last 20% or so that sent full body shivers through me!! I absolutely loved the direction it took the story in and I read the ending with happy tears in my eyes as everything came together. **Book Don't Make Me beautiful lyrics** It was truly beautiful and I was left with the most wonderful feeling ever!!! That being a monster is not her forever-fate? And will she be willing to risk everything to reach out and accept the helping hands around her and share her deepest darkest secrets? She knows only too well that hands can hurt. **Fantasy Don't Make Me beautiful gif** A note from Elle about this book: A really long time ago I read an article in a newspaper or a magazine (I haven't been able to locate the original) about a woman who was so badly beaten over a long period of time she couldn't leave her house. **Book Don't Make Me beautiful lyrics** I thought about that woman a lot over the years and about what her thoughts might

have been her fears her reality ... and this book was my attempt to both exorcise those thoughts from my brain and also shed some light on a subject —domestic violence— that I feel should never be left in darkness. **Don't Make Me beautiful** It only took five days for her to go from invisible woman living in a house around the corner to the center of his universe Despite the subject matter I wouldn't call Don't Make Me Beautiful a difficult book to read and it's not really steamy. **Book Don't Make Me beautiful day** An ARC was provided in exchange for an honest review For more reviews please visit Jacqueline's Reads Fantasy Romance Science Fiction First here's my casting for Brian:*** FULL REVIEW NOW POSTED ***WOW!! I absolutely loved this book!!! 5 stars! Don't Make Me Beautiful is a deeply touching beautiful and inspiring story with a powerful message about the strength of survival and the healing power of love. **Don't Make Me Beautiful book series** This is easily one of my favorites of the year! I first fell in love with Elle Casey's writing with her witty romantic comedy Shine Not Burn and when I learned that she'd released a new more serious romance I couldn't wait to try out another side of her writing and let me tell you -- I was blown away!! The story is that of a brutally abused woman Nicole whose face has been horribly disfigured after years of beatings at the hands of a man she once thought she loved. **Don't Make Me beautifully** Things may not have worked out with his ex-wife but they remained good friends and his focus is on living in the moment and hoping that maybe one day if it's meant to be the right person will come along who can complete his family. **Book Don't Make Me beautiful disaster** When fate crosses his paths with Nicole's he rescues her takes her to the hospital under a fake name and offers to take her home with him to give her a safe place to heal. **Book Don't Make Me beautiful lyrics** Remember that this is a romance but given Nicole's situation and everything she'd been through that side of the story understandably was slow building for the first while allowing time for healing first. **Don't Make Me beautifully lyrics** But this wasn't just about healing every single one of the supporting characters was wonderful -- especially Helen (the ex-wife) Agnes (the next-door neighbour) and Liam (Brian's adorable son). **Don't Make Me beautifullest** Nicole is a woman who is trapped in a physically and mentally abusive relationship; one that has not only crippled her integrity but has dramatically deformed her physical appearance to the point where people see her as a monster. **Don't Make Me beautifully lyrics** Yes this plot resembles Sleeping With the Enemy in the way the heroine runs from an abusive situation but it's aftermath subtly displayed the charm and gratification of a fairy tale . **PDF Don't Make Me beautiful disaster** I feel this story does a wonderful job in getting across the healthy ways to face and handle such a serious and heartbreaking circumstance and offers a very lovely and positive message of seeing the beauty within. **Book Don't Make Me beautiful day** Domestic violence is an issue all of us should be sensitive about and when films are made or books are written about it I appreciate the effort; that is why I read this book but it didn't make sense at all. **Don't Make Me beautifully** There is this girl Nicole who chose a wrong person as a boyfriend at the age of 19 and has been abused both beaten and raped by him in his house where he kept her locked and as a prisoner for three years. **PDF Don't Make Me beautiful anymore** And the sadistic boyfriend keeps a photo of her from the times when she was beautiful and every now and then he forces her to look in the mirror and then at the photo and compare herself with it. **Book Don't Make Me beautiful by john** So have you pictured her now? Well then one day by accident a neighbor and his 6-year old son discover the existence of this girl and the boy's father rescues her from that house. **Don't Make Me Beautiful fantasy 5** I just had a hard time to believe this! If there is going to be some romance in a book like this you don't have to start it a week after she was saved from that abusing monster. **Book Don't Make Me beautiful disaster** Well did they do all these logical things? NOOOO! Of course not! - First of all she refused to report to the police and they all accepted her decision! - She didn't want therapy because she didn't want to talk about the terrifying things she endured and they also accepted it. **Book Don't Make Me beautiful women** Come on take her to a god damn dentist at least! She doesn't have teeth! And if she is afraid that the police will not help her you should also try to make her see that this is absolute nonsense. **Don't Make Me Beautiful fantasy 5** But no they don't report him to the police and the man follows them and of course kidnaps her again! Yes why not? If you are so

stupid this is what would happen! Also this girl looks awful and ugly (this is what the book says not me) and she needs to have a lot of plastic surgeries to gain her previous appearance back. **Don't Make Me beautifully** yu So she doesn't want to attract any attention anymore! So what happens when she says "Don't make me beautiful"? The surgeon says "OK however you wish" again and he doesn't make her beautiful!!! Come on she cannot think healthily because she didn't have therapy so she thinks being beautiful is a curse whereas in reality the reason was the fact that she unfortunately met someone who was a psycho! So in this state of mind you cannot operate her.

Don't Make Me Beautiful fantasypros I was totally going insane reading all those pages! Oh at the very end of the book when everything comes to a kind of resolution marriage and child issues all done she decides that she can now start therapy. **Don't Make Me Beautiful** epub reader A lot of people who read this have issues with Nicole staying in an abusive relationship for 3 years or have issues with her refusal to go to the police after the beating that nearly took her life. **Book Don't Make Me beautiful disaster** Fantasy Romance Science Fiction [Book Basics] Genre: -

Contemporary Romance Series: - Stand Alone Love triangle? - No Cheating? - No HEA? - Yes Would I read more by this author? - Maybe Rating - 2 [Review] At first this started off well even though I am not a fan of present tense. **Don't Make Me Beautiful** fantasy baseball He makes her a huge part of his life brings her into his home after a matter of days a home he shares with his young son yet he lives just around the corner from her abuser and the only contact Nicole had had with anyone other than her abusive boyfriend in years was with Brian and his son and the very next day she is saved. **Don't Make Me beautifully** And Brian thinks that her abuser is not going to be suspicious about who exactly saved her and where she could be? Nicole is in hospital in ITU with supposedly one of the worst cases of abuse the doctors have ever seen. **Book Don't Make Me beautiful day** Yet after a day some woman is barging in all ITU care is expensive it needs to be paid for Now I do not claim to have a knowledge of the US health system or exactly how it works - but that is not right surely.

Don't Make Me Beautiful ebook free download What would they have done if Brian was not there pretending to be her brother? Chucked her out? So she gets discharged even though her injuries are pretty terrible but she has no insurance but apparently she can have some rehab as an outpatient (which never happens) No support is offered no links to appropriate charities help etc.

Don't Make Me beautifully lyrics At some point her abuser finds her they both end up back in hospital and she is all of a sudden waiting on the DA to make a decision as to if she should be charged with a crime - luckily she does not get charged with a crime that could lead to jail time but a lesser charge. **Fantasy Don't Make Me beautiful disaster** Now again not an expert on US law but I find it really hard to believe given her situation and history and given the donations flooding in for her and the public sympathy she was getting at this point that anyone would even think she should be charged with anything.

Don't Make Me Beautiful book series The police seemingly cannot do anything even though they were at the house along with the ambulance when she is rescued know full well the state she was in who's house she was found in but seem to be completely powerless to even find the bloke let alone question him. **Don't Make Me beautiful** kjv I just got the impression given how quick it all happened and the insta love thing that she would have fallen in love with whoever rescued her and Brian just has the need to be the hero and save her.

PDF Don't Make Me beautifully Elle gives us a beautiful love story about new beginnings moving forward learning to trust again and believing that despite the many monsters in this world there are still some knights in shining armour waiting to catch us when we fall. **Don't Make Me Beautiful** epub reader This review took me a while to write it was hard because I didn't know how I could do justice to a book that touches on such a difficult subject matter yet isn't all doom and gloom and unbearably dark.

Don't Make Me beautifully It was hard because I didn't know how I could explain how very real the author makes the story feel how her writing flows so effortlessly that she was able to bring Nicole's character to life. **Fantasy Don't Make Me beautiful women** It was hard because it's a book that gives the reader a very raw insight into the life of a woman who has been beaten and broken both physically and emotionally over and over again. **Don't Make Me beautiful** knit Yet the author wrote it in a way that turned a heartbreaking story into a story of hope a story about learning

to trust again and moving on after some heartbreaking goodbyes. **Don't Make Me Beautiful fantasy baseball** It was a story the author tells us which was inspired by true events about a woman who decides to make a stand to trust in others and let herself be saved and despite some reviewers feeling it wasn't always a believable story that surely no victim of abuse would react the way Nicole did. **Book Don't Make Me beautiful day** well for me I never questioned it's believability for me it was very real because I was one of the lucky ones and like Nicole I was saved by my very own real life 'Brian' for whom everyday I am truly thankful. **Don't Make Me beautifuller** Fantasy Romance Science Fiction 5 Beautifully Damaged Stars She stares out the window as the late afternoon sun tries to make it's way through the window. **Fantasy Don't Make Me beautiful gif** Then her world is irrevocably changed forever when her superhero Brian Jensen's baseball breaks her window and forever changes her life as she knew it by culminating events that ultimately bring them together. **Don't Make Me Beautiful kindle cloud** He stood by her through thick and thin and I couldn't adore him more for it! Brian is a single dad who is raising his son with the help of his ex-wife whom he is still best friends with. **Fantasy Don't Make Me beautiful disaster** National Domestic Violence Hotline 1-800-799-SAFE (7233) or TTY 1-800-787-3224 UK Women's Aid Women's Aid at 0808 2000 247 Australia Domestic Violence Helpline 1800 RESPECT at 1800 737 732 International Directory of Domestic Violence Agencies <http://www.dvhn.org/>. **Don't Make Me Beautiful fantasy** On top of that this author's note!
