

The Italians Convenient Wife By Catherine Spencer i remember reading this one as well !dat was last year n the twins were actually paolo n caroline's ;p Catherine Spencer It started out so well and I was so hopeful!\*With Spoilers\*A bonafide manhoeing Italian bad boy and an 18 y. **The Italians Convenient wifemistress** Catherine Spencer If you love a smitten noble flawless hero who is willing to shout his love for the heroine from the rooftops then this is the book for you! Catherine Spencer This started off so well. **The Italians Convenient wifem** Heathcliff Rochester Romeo and Rhett were all responsible for her love of brooding heroes! Catherine has had the lucky honour of being a Romance Writers of America RITA finalist and has been a guest speaker at both international and local conferences and was the only Canadian chosen to appear on the television special the older couple dies (but of course!) and the h travels to Italy to bring back 'her kids'. **The Italians Convenient wifemistress** They are all chummy and practical and agree on a moc but...The H was suitably despicable to begin with but loses steam within a few pages and turns tame and boring (and so did the book!). **The Italians Convenient wifem ancien** The real problem was the h not telling the H the truth till the very end and she had NO EXCUSE for it! It would still be ok if there was a plot to amuse the reader till then but apart from them resuming their bedroom (formerly beach) activities and preparing for the wedding nothing much happens. **The Italians Convenient wifem ancien** Yet from their first reunion Paolo is aware there is more grief in Caroline than that of her sister and brother-in-law's tragic death and he finds himself wanting to protect her. **The Italians Convenient wifem ancien** But instead of him really blaming her he kinda just asked for her forgiveness? I know I don't make a lot of sense but somehow the climax of the book just didn't do it for me. **The Italians Convenient wifem mon** This is an incredible love story about second chances in not only love but life and that sometimes we are given an incredible gift to fix our past mistakes and ultimately forgive those who have hurt us the most. **The Italians Convenient wifem** I was so wrapped up in watching how Paolo and Callie were going to come to grips with their past and put the pieces of their life back together again that I became absolutely mesmerized: **The Italians Convenient wifem ancien** He makes no promises while seducing his brother's sister-in-law on the (his brother and her sister's) wedding day. **The Italians Convenient wifemloof** She finds herself pregnant and loses out on an Ivy League education: **The Italians Convenient wifemistress 1977** University and not Smith's with the bump was a mystery!) Anyways the sister and the husband adopt the twins and pass them as their own to his family, **The Italians Convenient wifem connexion** Now nine years later.

And brought out at necessary points: **The Italians Convenient wifemloof** It was more about negotiating and doing the right thing for the children than a romance (interspersed with sex), **The Italians Convenient wifem** Heroine got pregnant after a one night stand the night of her sister's wedding to the hero's brother, **The Italians Convenient wifem connexion** She was 18 at the time and had to change her plans for university: **The Italians Convenient wifem** She had twins and gave them to her sister and husband to raise as their own. **The Italians Convenient wifem ancien** Hero did such a number on her that she hasn't had sex since. **The Italians Convenient wifemistress** Hero was a womanizer for many years.

## **The Italians Convenient wifem ancien**

But no child should ever have to chase after their mother or mother-figure, **The Italians Convenient wifemloof meme** The heroine sulked and caused so much new pain for those grieving kids and they had to convince her to come back to Italy: **The Italians Convenient wifem** I don't know how they're ever going to feel secure with this new mommy and daddy after the crap they pulled. **The Italians Convenient wifem ancien** I believed that the hero turned over a new leaf and

was sincere in his feelings for the heroine. **The Italians Convenient wifefo ancien** I just can't forgive the lying heroine and her sulking at the end, **The Italians Convenient wifeman** Preeti has more details in her review.

## **The Italians Convenient wifemistress 1977**

In the past Catherine Spencer has been an English teacher which was the springboard for her writing career. **The Italians Convenient wifefo ancien** But she gets side tracked by the H (reformed and responsible now!): **The Italians Convenient wifeman** The kids were grumpy and cheerless but finally grew up and is now a functioning member of society, **The Italians Convenient wifefo ancien** H/h meet again when the twin's adoptive parents are both killed, **The Italians Convenient wifefo ancien** Heroine comes to Italy for the funeral and plans to bring the nine year-old twins back to the US. **The Italians Convenient wifefo ancien** This does not go over well with the hero or the grandparents or the children, **The Italians Convenient wifeloof** She said all she cared about were the children but she made things ten times worse by not telling the hero the truth about his status as baby daddy. **The Italians Convenient wifeloof** Weeks go by where she could have spoken up but she didn't, **The Italians Convenient wifemistress** By the time everyone had bonded and new plan had been implemented the heroine blew it up. **The Italians Convenient wifefo ancien** Worse - she ran away and the children had to chase after her from Italy to the US, **The Italians Convenient wifefo ancien** WTH? That's fine for a hero to chase down the heroine if you're interested. **The Italians Convenient wifefo** Catherine Spencer 4 Stars! ~ All of the pain from nine years before is thrust once more at Caroline as she travels to Rome to claim her orphaned niece and nephew. **The Italians Convenient wifefo ancien** She's braced for a fight with their Italian uncle Paolo a man she had given her innocence to only to be dismissed, **The Italians Convenient wifefo ancien** But Paolo today is not the callous playboy she'd known now he is a man with a deep sense of family responsibility. **The Italians Convenient wifeloof meme** Caroline's concern is for the twins and yet she realizes that she has never really stopped loving Paolo: **The Italians Convenient wifem** Paolo proposes they marry for the sake of the children and the promise that he will be faithful, **The Italians Convenient wifemistress** Caroline agrees yet continues to carry the burden of secrets from nine years before; secrets that threaten to shatter Paolo's whole family. **The Italians Convenient wifeman** This was rather unique because Paolo's misdeed had happened in a time before the story begins and his character has already been redeemed before their reunion: **The Italians Convenient wifem** This was critical to the story for Paolo as he had been would not have been appealing: **The Italians Convenient wifefo mon** Caroline's character becomes the focus as she must face decisions she made when she was 19. **The Italians Convenient wifemistress** Finding that Paolo has tender feelings for her as well as a passionate desire Caroline's scars begin to fade except for that secret she carries: **The Italians Convenient wifemistress** A very enjoyable read! Catherine Spencer The plot was so far-fetched only the writing saved the book Catherine Spencer It started off really good: **The Italians Convenient wifeloof meme** But somehow as it reached the end it wasn't really very convincing to me: **The Italians Convenient wifefo ancien** I dunno but somehow the part where they quarreled wasn't impactful enough to me, **The Italians Convenient wifefo connexion** In my mind Italians are hot :P arrogant and just not so forgiving. **The Italians Convenient wifefo ancien** I'm someone who swoons over the declarations of love from the guy to the girl. **The Italians Convenient wifefo ancien** However I must say watching them fall in love was sweet:) however I felt that he should have taken more time before discovering his love for her: **The Italians Convenient wifemistress** But to me it's just so sweet and more in character for guys like this. **The Italians Convenient wifefo ancien** All in all it was a pretty good book and I did enjoy reading it: **The Italians Convenient wifemistress 1977** I did love it at the beginning yes but not the last few chpts, **The Italians Convenient wifefo mon** <3 Catherine Spencer Caroline's sister and her brother-in-law died in a boat explosion leaving twin children behind: **The Italians**

**Convenient wifenloof** Paolo lost his brother and sister-in-law in the explosion but at least his family still has the children. **The Italians Convenient wifefo ancien** What no one in his family including Paolo himself knows is that Caroline has a closer tie to the children than they realize. **The Italians Convenient wifefo ancien** There was a lot of angst in this story but not over-the-top as in many stories with this plot, **The Italians Convenient wifefo ancien** I thought this was well-handled and flowed through the emotions realistically. **The Italians Convenient wifemistress** I loved that both put the children's welfare ahead of everything and each struggled with their emotions through that filter: **The Italians Convenient wifem** There were no extreme scenes except when the secret was revealed and even in that context it made sense: **The Italians Convenient wifemistress** this is my first book by this author and definitely not my last: **The Italians Convenient wifenloof meme** This author takes you on an incredible journey into the heart and soul of Paolo and Callie where you see all their pain and human frailty, **The Italians Convenient wifefo connexion** Sometimes when I read these HP's I get angry because the hero is depicted as an arrogant macho jerk and the heroine as a spineless doormat, **The Italians Convenient wifefo** But in this story I realized that people are simply human and oftentimes just make mistakes, **The Italians Convenient wifefo ancien** Unfortunately those mistakes have the ability to hurt the people who matter the most. **The Italians Convenient wifemistress** Catherine Spencer Not too interesting considering everything that went on: **The Italians Convenient wifefo ancien** The heroine was making mistakes because she had to make choices alone: **The Italians Convenient wifemistress** Catherine Spencer When Paolo Rainero's niece and nephew are orphaned he arranges to marry Caroline Leighton the twins' American aunt to protect them, **The Italians Convenient wifefo** But first he must show Callie that he's changed since their affair nine years ago, **The Italians Convenient wifemistress** As their convenient marriage becomes real and old desires are rekindled Paolo can't help feeling that Caroline's hiding something[1]

Harlequin goes Prime Time.o. virgin. (But why could she go to a Calif. Can't blame them as this h can do that to anybody. Only the disapproving father of the H causes some waves. And sadly I felt no connection between the h/H. The ending was just so gross. The angst in this was great. Same with the writing. The romance was fine. At this point I began to lose patience with the heroine. The passion they once shared still burns between them. Very nicely written. She's tragic in many ways haunted. I was addicted from the start. And how they made up felt just too little. Like there wasn't enough substance. But somehow that scene just didn't strike a chord in me. Cliché yes. Especially Italians. It's definitely worth a try. Perhaps you'll love it more than I did. A pity really. P.S. I did enjoy it I just couldn't love it. It could just be my mood though. I really liked this story and would recommend it. Catherine Spencer Wow. This is so unlike any HP I have ever read. It was an incredible read. I won't forget this story. The hero changed just cause. Eh. No one to really root for. Not even the dumb kids. A secret involving him. The Italians Convenient Wife
