

License to Shift (Grizzlies Gone Wild #2) By Kathy Lyons **Book License to shift admin** I really felt for Julie and Mark because over the course of this book we see them come closer and fall in love with each other but because of what is going on with Mark in a way it's really bittersweet. **Book License to shift to another** But with everyday bringing him closer to turning feral and the danger escalating what will the future hold for them?The book had the perfect mix of action.

I am addicted to Kathy Lyons' Grizzlies Gone Wild series! I read the first book The Bear Who Loved Me and couldn't wait to pick up and read License to Shift. **Book License to shiftkey** Going into reading License to Shift I thought this was going to be a really sweet endearing second chance love story but it's so much more! Just when you're happy and comfortable the suspense kicks in and you're taken on an incredible journey. **License to shiftkey timesheets** \*\* 9781455540969 After reading The bear who loved me I was so excited to jump back into this series so when I got a chance to read this book early I was thrilled and I got into the story as soon as I could. **License to Shift epub** I love it license the shift was absolutely amazing ! In this book we follow Mark and Julie and I love these two together from the very first scene together I was like that's it I need you two to go ahead and get married all-consuming and heart pounding I was rooting for them to be together no matter what happens in the story and trust me lots of things happened in this story that I did not expect to happen it was just so good . **License to shiftkey timesheets** With a sexy romance the fascinating paranormal creatures and the plot that will keep you turning the pages needing to know what will happen next Kathy Lyons creates a fantastic story with license to shift. **Paranormal License to shift ny** Licenses shift is a sexy thrilling paranormal romance and after reading the ending of this book I cannot wait to get my hands on a copy of the next book in the series can I get it now ? . **License to shiftjuggler** 9781455540969 My Thoughts - 5 out of 5 Unicorns - I loved it!!!  
\*\*\*I choose what I read and review based on what intrigues me!!The cover is awesome! Both beasts look beautiful!This is the 2nd book in the series. **Book License to shift to another** I highly recommend to anyone who loves bear shifters and especially if you already love Kathy Lyons you will want to read this story! 9781455540969 This is the first book of Kathy Lyon's that I am reading and though it is a part of a series it is completely perfect to be read as a standalone. **Book License to shift select** Unlucky for her the only person who can help her is the darkly sexy Mark Robertson the guy who spent an entire summer giving her the cold shoulder-and one white-hot night of pleasure. **License to Shift paranormally** Will Julie cave in? Will Mark find a magical cure against his curse? But most important what will Julie think about the bear-shift thing?All of that without the knowledge that there are some dangerous people lurking around them. **License to Shift booklet**  
me/p3d0RZ-7tLPublication Date: October 4 2016Genre: Paranormal RomanceReviewed by: Reading in Pajamas/ DonnaRated 5 Stars REVIEW What a fun and fast paced story! I loved Julie's inner thoughts as she found herself in a reality she didn't believe and it was fun to listen in on Mark's human trying to control his grizzly. Mark is going feral which to my understanding basically means that bear inside of him is dominating over the man, **License to shiftjuggler** And Julie is here in Saginaw because her father is in the hospital at first you may think how do all of these things connect . **License to shiftkey timesheets** However it all does connect and everything comes full circle in some really interesting ways . **Paranormal License to shift ny** I was worried wondering how was this gonna work out but all on worrying was in vain because everything worked out in the best possible way for them. **Kindle License to shift select** If I had to describe the romance in three words they would be sexy.

## Paranormal License to shift ny

When she used to have a crush on Mark: **Book License to shift select** Until the one hot night that they spent together during which he abruptly left. **Contemporary License to shiftkey** Mark is very close to becoming feral and losing himself forever. **Book License to shiftkey login** He has been trying hard to find a cure but nothing has been able to help him, **License to Shift kindle direct** He even enlisted Julie's father's help to find something that might help: **Book License to shift** When Julie shows up at his door looking for her father's research he is in for a shock: **Book License to shift jobs** He never expected the girl he desired from far to show up in town again and moreover be willing to give him another shot: **EBook License to shift admin** But someone has stolen her father's research and is determined to hurt Julie too: **Book License to shift jobs** There is something sinister going on Mark desperately wants to protect Julie from it: **Book License to shift jobs** Ms Lyons does a great job pulling you in with appealing characters and a beautiful story about the power of love. **Book License to shift** 9781455540969 I have not enjoyed a shifter novel in a long while. **Kindle License to shift select** License to Shift was great! The story was solid and kept me entertained while the writing was clear and descriptive, **Book License to shift4** The way this author tells this story left me unable to put it down, **Book License to shiftkey** This is book 2 and I think most would be OK reading it as a standalone: **License to Shift pdf** Reading book 1 would give the reader more insight into the mood and the previous problems that have occurred as well as the mental state of all the characters, **License to Shift book pdf** Without book 1 I think it would still be a fantastic read.

And I appreciate that, **Book License to shift admin** The book had intense scenes mixed in well with humor and sexy romance. **Book License to shiftkey login** It checked off all my wants in a book and I can't wait for the next one. **Kindle License to shiftkey** \*Review copy provided by NetGalley in exchange for an honest review, **License to Shift pdf to word** to/2ihrtvU 9781455540969 Bear it all Book two is all about second chances. **License to Shift kindle store** I enjoyed watching these two characters reconnect and accept their feelings for each other. **PDF License to shift admin** The author did a fantastic job of displaying the scatteredness that was Mark's mind by having his thoughts be more rambling and run together. **License to shiftkey timesheets** And I enjoyed how Julie finally was able to embrace the way Mark saw her: **Book License to shift admin** The intensity from book one is carried over as the bag guys strike again: **Book License to shift jobs** This is a standalone read but continues a plot started in the first book. **Paranormal License to shift ny** Mark is the best friend of Carl Carmen (clan leader and hero from The Bear Who Loved Me), **License to Shift paranormally** He's given up on finding true love and his mate because there isn't anything he can offer her, **Book License to shift admin** She has since she was sixteen when the other kids excluded her from fun summer activities and her crush ran away from her. **Contemporary License to shiftkey** Now she's back at the request of her father to pick up some of his shifter tale research. **PDF License to shift to new** Her first problem is the only person who can help her is the man who crushed her teenage heart Mark, **License to shiftjuggler** She's about to discover that what she thought was just fairy tales her father has been researching is very much real: **Book License to shift to another** As with the first book this story grabs you and leaves you not wanting to put it down or have it end: **Book License to shift jobs** But the story is complete with an "Oh my freaking God" moment at the end, **Paranormal License to shift ny** November can't get here soon enough for the third book For the Bear's Eyes Only!\*\*Received a copy from Forever Yours and voluntarily reviewed the book. **Book License to shift** We also got to learn more about the bad guys what they're doing and what their goal might be as well: **License to Shift pdf to word** I love that we got delve deeper into the shifter world we learned so much about them in

this book: **Book License to shift jobs** if you love all these things in your book I suggest you get a copy when it comes out October 4 2016 . **Kindle License to shifthound** Julie and Mark have a history where they both read too much into things that happened in their pasts: **Paranormal License to shift ny** I love Julie's character because I like to admire the characters rather than hate them: **Book License to shift jobs** I don't want to spoil anything so all I will tell you is that there is plenty of action in this book and I couldn't put it down: **Paranormal License to shift ny** I hadn't read the first book- The Bear Who Loved Me but this didn't affect my reading experience in any way: **License to Shift pdf file** I was hooked from the first chapter! I loved the descriptions and the way the author managed to detail the shifters and the grizzly part of them was wonderful, **Kindle License to shift select** I have read many bear shifter books and this one really stands out due to its writing details and worldbuilding, **License to shift juggler** Julie has returned to Saginaw Michigan to find her father's journals so that she can transcribe them, **Book License to shift a car** He's in the hospital due to health issues and she knows that he will get bored very soon, **EPub License to shiftkey login** He has been researching folklore and tales especially those that concern shapeshifting, **EPub License to shiftkey login** When she spent a few summers in Saginaw suspense and romance in it. **License to Shift kindle direct** Both Mark and Julie were amazing characters and I couldn't help but root for them, **License to shift juggler** The secondary cast of characters like Carl Becca and Tonya were fascinating. **Paranormal License to shift ny** We didn't get much more than a glimpse at the antagonists and I would love to know more about them. **License to Shift book pdf** Its clear the author intends to take the mystery further into the next books. **License to shiftkey timesheets** The ending was well done but I would love to know more about the partial shifters and how the shifting affects them, **License to shift juggler** I think we'll get more on that in the next book which features Alan and Tonya's story. **License to Shift booking** If you're looking for a shifter book with lots of action romance and amazing characters you should give this one a chance: **Book License to shift to another** In the meantime I'll be reading Carl and Becca's story in The Bear Who Loved Me: **Contemporary License to shiftkey** ;) 9781455540969 License to Shift is book two in the Grizzlies Gone Wild series: **Book License to shift jobs** It's a second chance love story with suspense intrigue and so much more. **License to shiftkey timesheets** The author did a terrific job making this story stand-a-lone. **Kindle License to shift to another** There were parts I liked parts that were a little odd to me but all in all it was a suspenseful and satisfying read: **License to Shift pdf free download** Mark is on the verge of becoming his bear completely and you see this through the pages, **Book License to shiftkey** Then we have Julie who is only in town because of a family emergency, **License to Shift epubs air** These two have a small past and now they may get a chance to work out what happened back then and in the process save Mark. **License to shiftkey timesheets** The way the story started was a bit slow but once I got deeper in things picked up and oh boy the suspense: **License to Shift book review** Another thing that really frustrated me was the lack of communication. **License to shiftkey timesheets** I felt they needed to talk more about what was bothering them from the past but of course she's not in on the secret until something bad happens and then she is told, **License to Shift ebooks online** There were several exciting and suspenseful moments and some unanswered questions but the book is complete and delivers an eventful read, **Book License to shiftkey** I'm curious enough to check out all the books in the Grizzlies Gone Wild series: **Book License to shift jobs** Rated: 4 Stars\*Disclaimer: I received a complimentary copy provided by Forever via NetGalley with the sole purpose of an honest review: **Book License to shift to another** Julie Simon returns to Saginaw Michigan to find her ailing father's missing research on local shapeshifter lore. **License to shiftkey timesheets** Soon his grizzly side will destroy everything that makes him a man: **PDF License to shift license** And after years of fighting Mark is ready to give in to the beast, **Book License to shiftkey** Then Julie-the gorgeous curvy book nerd who awakened his most primal desires as a young man-shows up at his door, **Paranormal License to shift ny** Now he's fighting an insatiable longing to claim her as his mate. **License to Shift book pdf** to/2c5n9RBLicense to Shift is the second book in the Grizzlies Gone Wild series by Kathy Lyons and just like with the first one I had a great time reading it:

**License to Shift epub** As the son of two bear-shifters Mark Robertson has more bear-gene than a normal bear-shifter reason why he is a hair's breadth away from going feral, **License to shiftjuggler** Going feral for a he-bear means that there will one day when his bear will win the battle against his human-gene so he will stay bear forever: **Book License to shift jobs** Mark has been fighting against this since he was 16 years old. **EPub License to shift select** That's until oh so sexy-curvey book nerd Julie Simon shows up at his door. **License to Shift publishing** Julia Simon returns to Saginaw Michigan to collect her father's research about shape-shifters just to find out the research has disappeared. **License to Shift kindle books** And unlucky for her the only person who can help her is her high school nemesis "Mark the Fickle Bastard": **PDF License to shiftkey login** Eight years after Mark Robertson broke her heart Julie has to ask him for help. **License to shiftkey timesheets** Of course she hasn't forget about him and the lust-crazed part of her brain can't stop drooling all over him, **License to Shift paranormally** Big guy all muscle broody and with a raw physical power?? I would be asking him on a date. **Contemporary License to shiftkey** "This was his most dangerous time—when bear and man fought against each other for control. **License to shiftkey timesheets** "Mark has been attracted to Julie for years but his fear of going feral put a barrier between them: **License to Shift pdf file** But now she is back and his bear is telling him that she is his mate, **License to shiftjuggler** Let's do it right okay?"This time Mark will be not only fighting a battle against his bear but one against his desire to claim her as his mate. **License to shiftkey timesheets** Watch your backs Grizzlies the fight against the evil pussy-cat is not over!!!!I have to ramble on the fact that Ms. **License to shiftkey timesheets** She tricked me into believing I was getting an epilogue for Mark and Julie but no. **License to Shift ebooks free** It broke my heart because just as with the first book I wanted more!!!! It ended too abruptly for my liking, **License to Shift ebooks online** So when I turned the page and read the word "Epilogue" I was over the moon just to be slap on the face right away, **Paranormal License to shift ny** But the sting lasted just a few seconds because what she gave me was a sneak peak of whats coming next and dear lord I can't wait to read Alan's story, **License to Shift paranormally** License to Shift is the perfect blend of action-packed heat they would just not know what could possibly happen: **Book License to shiftkey login** Why take the chance! I highly recommend this to all who love paranormal romances: **Paranormal License to shift ny** 9781455540969 Spotlight Review & Giveaway: LICENSE TO SHIFT (Grizzlies Gone Wild) by Kathy Lyons <http://wp>. **Kindle License to shift select** This is a shifter romance but it has little things that make it unique and I am looking forward to reading all about Alan's search for retribution: **Book License to shift jobs** 9781455540969 Liked it I can't wait for an awesome book in the series 9781455540969 Librarian Note: Also writes under the pen name Jade Lee, **Paranormal License to shift ny** She loves the faster pace of contemporary books and that her humor can shine through, **Book License to shift** Plus the shifter books are really fun!She leaves the dark tortured love stories to her alter ego Jade Lee, **License to Shift epub** She loves the faster pace of contemporary books and that her humor can shine through, **License to Shift paranormally** Plus the shifter books are really fun!She leaves the dark tortured love stories to her alter ego Jade Lee[1]

For years Mark has known that he's dying. His DNA is made up of more bear than human. He isn't sure when his next shift will be his last. For years he's been planning for his demise. A knock on his front door will change his life forever.Julie Simon hates being in Gladwin Michigan. Her second problem is that someone has stolen the research. There are definitely some surprises and unanswered questions. It is for adults only due to the steamy scenes.I'm glad that this is Mark's story. I was wondering about him in the first book.The chemistry between them was also wonderful.They added depth and flavor to the story. This is my first time reading this series and

author. I didn't feel like I was missing something. There is so much struggle and hope that he goes through. I also got frustrated with the way Julie acted at times. All thoughts, comments, and ratings are my own. 9781455540969 BEAR MEETS GIRL. Mark is a hair's breadth away from going feral. But Julie isn't the only one after her father's research. Someone-or something-evil is tracking Julie's every move. License to Shift (Grizzlies Gone Wild #2) It's LIVE! <http://amzn>. He's tired and ready to give in to the beast. I honestly can't blame Julie. LOL. It made the animal unpredictable and the man insane. "Let's fix what we broke years ago. Lyon played with my emotions at the end of the book. My body is so ready rawrrrrrrrrr. This one was excellent. KATHY LYONS writes light funny sexy stories.
