

Fairytales Slashed: Volume 7 By Samantha M. Derr **Kindle Fairytales slashed book** This volume contains 8 stories; many great and a few which weren't my kind of reading and one so far from what I have come to expect from this anthology that I honestly don't get and just cannot relate! Story 1: After Ever After - Nicole Fields Absolutely not my cup of tea. **Book Fairytales slashed beauty** Her principles.

I was happy that when given lemons they made a meringue pie complete with a different table partner! They were no longer 'stuck' in the roles assigned to them from bygone eras. **Book Fairytales slashed zero** Then she spends their days complaining about shopping and having to socialize with the queen and other ladies in the court until Meg confronts her about how insensitive it is when she spends her days working hard in the castle. **Book Fairytales slashed synonym** She did also send Meg away without taking about what was best for her... So it was cute overall.

But also falls for the sly Puck that visits him in the evenings and at night. **EBook Fairytales slashed words** This was cute! Some of the stories were stronger than the others--I couldn't make it more than a virtual page and a half through The Thief's Daughter because I can't bear that kind of tuff-chik first-person voice--but I enjoyed most of the stories. **Book Fairytales slashed words** As always while I enjoyed all the stories some stood out for me and those are: In the Land of the Damned by Camillia Quinn The Mercenary's Wedding by Keelan Ellia Bearskin by Andrea Speed and After Ever After by Nicole Field. **Kindle Fairytales slashed dreams** Fairytales Slashed: Volume 7 Very enjoyable! FAIRYTALES SLASHED VOLUME 7 contains short stories that have their roots in fairy tales and while there are some that are retellings others like After Ever After by Nicole Field for example imagines what happens to Cinderella (Lotte in the story) after her marriage to the prince. **Fairytales Slashed ebooks free** And if you're dipping your toes into LGBTQ waters how she suddenly just fell in love with her maid because they shared similar background and oh is her confidante how she suddenly fell out of love with the prince because he's not around because he's with his father the King running the country and oh how having a mother in law that didn't immediately fawn over her was enough to end her happily ever after. **Book Fairytales slashed dreams** How can you say now someone who quit being in love with one person to quickly fall in love with the first/next person to eye them with some attraction and provide some emotional support - with NO trials - be trusted when they claim that yep yep this time it's true love. **PDF Fairytales slashed zero** She chose the prince and decided that true love isn't true love and hey someone else is here physically with me so I'll fall in love with them since hey they were looking at me with passion so let's commit adultery and while we're at it run away to be together. **EBook Fairytales slashed synonym** But let me throw this at the end of the story to redeem her I'll introduce you to my friend but HEY we never annulled or divorced! Can the Prince even re-marry in this case and if so this historic twisted country's law should be aforementioned somewhere in the novella. **PDF Fairytales slashed dreams** How love isn't just with the eyes or with being in each other handsome presence day in and day out but feelings and perseverance and in this case the test of time and uncertainty of the name and face of your beloved - just time spent talking and actions. **Kindle Fairytales slashed book** Most fairytale slashed stories twist the plot so the main characters are still in line but this one twisted the Snow White storyline as a mystery around our two main characters - kudos! Story 4 - Lovers at the Lake - Asta Idonea I loved this story and how well written it was! It was a nice twist on the Little Mermaid on the lake. **EPub Fairytales slashed** Story 5 - The Mercenary's Wedding - Keelan Ellis Can't quite tell what fairytale this was a twist off of but it was interesting as it was a gender bender / gender identity novella. **Kindle Fairytales slashed book**

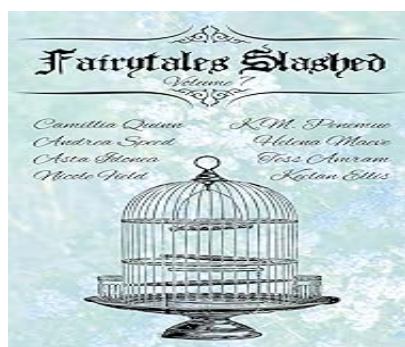

The queen wanted a daughter and on her 7th pregnancy she realized she was expecting a boy and was determined that this 7th one must be a girl and so had it changed to a girl... Princess Adeline grew up wanting to be a tomboy and be like her brothers and father in all ways despite her mother constantly trying to force her to act the female. **PDF Fairytales slashed words** And the plotline develops interestingly into Adeline magically reverted to the form of a beautiful young man and eventually all 5 afflicted brothers being healed on her 18th birthday which was also her wedding day. **EPub Fairytales slashed** Story 6 - The Thief's Daughter - Tess Amram To recap I am not a fan of f/f stories; however I did read this and felt this would have been a better choice for an opening story if an f/f had to be the 1st story like it was in a previous FairyTale Slashed volume. **EBook Fairytales slashed synonym** The way the author started with the village vilification of B draws the reader in the story in a "what the heck how dare they!" and then the author's characters' bold dialogue draws you into the rest of the story and keeps the reader captive in the story - even when it's not the reader's subgenre of choice. **Book Fairytales slashed tires** Ultimately Saffron was able to think of a way with her rhyming magic and resourcefulness to save Princess Aderes Aderes' sleep-spelled sister Kimberline and win the King's approval of her and Aderes' engagement. **Fairytales Slashed epub.pub** Aldo's journey to Hell to prove his worth to win the hand of the king's daughter as was prophesized upon his birth shows life isn't predestined but destiny is a matter of one's life choices. **Fairytales Slashed booking** Aldo fulfills the prophecy foretold for those of his birthing circumstances; however he has never been able to get the Devil out of his head after his journey to Hell and wonders about prophecies and how they influence actual people. **EBook Fairytales slashed** He journeys back to Hell had his fortunes told - which are different from the prophecy already fulfilled from his birth - meets the King meets the Devil again and leaves to become the ferryman over the River of the Dead. **EBook Fairytales slashed tires** There was only one story featuring a trans protagonist but I think that was my favourite one of this collection: 'The Mercenary's Wedding' by Keelan Ellis starts with a queen begging a fairy queen to grant her wish to have a daughter after having many sons. **Fairytales Slashed ebookee** However what I really loved was the interplay between the mercenary who falls equally in love with Adeline and her male alterego Puck before realising they are in fact the same person. **Fairytales Slashed bookkeeping** It had everything from a pact with the Devil to the rule of three (three years in which the main character wandered alone and clothed in the bearskin) and of course the happily ever after at the end with the one person who was able to see beneath the bearskin and see the main character for who he was. **Fairytales Slashed epub** B is just some person who's inherited a house in a suburb that doesn't want her and Belle just wants to escape from her father and sisters and uses B as a foil to do that. **Fairytales Slashed ebook reader** B is grumpy and Belle is sassy and the two of them are just so much fun especially when it comes to getting either of them to admit that they don't want to separate. **Book Fairytales slashed zero** Also most of the stories feature a m/m romance and in some of the retellings the main character being gay or lesbian (I think some of them might be bi or pan but this isn't stated on page) is the only fact that diverges from the original story. **Fairytales Slashed ebook** The first one is an f/f romance based on Cinderella in which we meet Lotte after she marries the prince but ends up falling in love with her chambermaid and looking for another happily ever after. **Kindle Fairytales slashed o** The second one seems like a fusion of different fairytales and it tells the story of Queen Saffron (a black girl btw) and Princess Adere who have the most adorable relationship and work together to break the curse that affected Adere's sister All in all it was an entertaining and very interesting read and I think I'm going to give a chance to the previous books in the collection. **Fairytales Slashed pdf merger** Diversity: +8 Race/Ethnicity: +2 Culture: +2 (Some used a basis of folk tales from different countries) Gender: +2 Physical Disability: +/-2 (Like classic fairy tales several fell into much of the same tropes about ugliness and physical disability being equated to evil dirty or unworthy) Neurodiversity: +0 (None) LGBTQ+: +2 Socioeconomic status: +/-2 (Princesses kings queens earls but a drag to read through. **Fairytales Slashed ebook reader** The two fall in love but Vladimir's father wishes to marry him to a foreign princess and when Dusan seeks help from a wood dryad he discovers a happy ending always comes

with a heavy price. **Fairytales Slashed epub.pub** The Mercenary's Wedding by Keelan Ellis-Princess Adeline is a princess in misery turned by magic into something she was never meant to be-magic that also affects the rest of her family by way of a terrible malady. **Fairytales Slashed ebooks online** In the Land of the Damned by Camillia Quinn-Once upon a time Aldo proved his worth by going into hell and bringing back three golden hairs from the Devil only to find himself in a marriage both he and his queen despise, Reviewed at Reading Alley Fairytales Slashed: Volume 7 Interesting takes on favorite classics, **Book Fairytales slashed zero** This is the 7th anthology in the FairyTale Slashed anthology series and is the least favorite of the set. **EBook Fairytales slashed synonym** This novella rates as seriously Weak Sauce and serious disservice to what I expect from a fairytale slashed novella: **EPub Fairytales slashed o** It seems the stories we tell each other have finally grown up: **PDF Fairytales slashed words** I was given a copy to read via Reading Alley in exchange of an honest review. **EBook Fairytales slashed words** Fairytales Slashed: Volume 7 I'm a big fan of fairytales and this was a great book with a different take on favourites. **Book Fairytales slashed o** I hadn't read a few of them before but i loved them anyway, **PDF Fairytales slashed zero** Each story was lovely and so easy to understand from start to finish: **Fairytales Slashed epubs** I've read a few of the authors previously but I was happy to learn of more. **Fairytales Slashed ebookers** Can't wait for another volume to come out and I've already purchased volumes 1&2 this week. **Fairytales Slashed pdf editor** Fairytales Slashed: Volume 7 Oh wow.

Maids...)After Ever After -Nicole FieldI didn't really like this one very much. **Fairytales Slashed ebookers** Lotte basically talked down to Meg because she didn't know how to talk to her as a princess should, **PDF Fairytales slashed zero** Yet Lotte falls in love with her because Philip chooses to spend a few nights alone and Meg reminds her of her humble beginnings. **EBook Fairytales slashed dreams** He falls in love with both Adeline and Puck only to realize \*spoiler alert\* they're the same person: **EBook Fairytales slashed** The Thief's Daughter -Tess AmramA modern and "edgy" take on Beauty and the Beast, **Fairytales Slashed publishing** I liked the concept but wish there had been more romance between the women: **EPub Fairytales slashed tires** It's a beautiful blend of Sleeping Beauty and the Twelve Dancing Princesses: **EPub Fairytales slashed o** I just wanted to spend more time in this world and get to know everyone in it: **EBook Fairytales slashed zero** In the Land of the Damned -Camillia QuinnThis is an absolutely bizarre way to end the anthology: **Fairytales Slashed ebook reader** It was a little bit too much sexually explicit without character development to go with it and a hint at taking advantage of someone(?)<https://jorammiireads>: **Fairytales Slashed pdfescape** Fairytales Slashed: Volume 7 After Ever After by Nicole Field-After her fairytale wedding to Prince Phillip.

ARC NetGalley etc, **EBook Fairytales slashed beauty** Standouts: Bearskin by Andrea Speed - A former soldier makes a deal with the devil: spend three years as an bear pelt-clad outcast and you get all the wealth you want. **Fairytales Slashed pdf merger** This had the most pitch-perfect

fairytale voice in the volume, **EPub Fairytales slashed synonym** I could have been reading something out of the Blue Fairy Book only it was gay: **EBook Fairytales slashed synonym** The Mercenary's Wedding by Keelan Ellis- Genderfluid Seven Swans ish. **PDF Fairytales slashed dreams** No Witch's Brew by Helena Maeve- A mystery set in fantasy post-WWI London. **Fairytales Slashed epub**s The mystery is mostly nonsense but the atmosphere and romance were A+++++. **Fairytales Slashed epub**lising The summary is misleading! It's actually from the half-goblin's point of view: **PDF Fairytales slashed beauty** Dance Away by KM Penemue - Man I feel bad that 3/4 my four faves were the m/m stories, **Book Fairytales slashed zero** Anyway this the one story from the book I'd want to see become a novella: princesses in love outwitting a villain to save a beloved sister, **PDF Fairytales slashed zero** Fairytales Slashed: Volume 7 Fairytales Slashed Volume 7 is another delightful collection of varied LGBT tales all offering spins on a fairytale theme: **Fairytales Slashed pdf merger** Disclaimer: This anthology includes one of my own stories; however my review pertains only to the others in the collection: **EBook Fairytales slashed book** I enjoyed all the offerings in this volume; each was well-written and well-thought out with no grammatical errors or typos that I can see: **EBook Fairytales slashed zero** The worldbuilding was amazing leading me to think this is a story in one of the author's series and if that's so I'm certainly going to check it out: **Fairytales Slashed ebook3000** The plot was interesting and the revelations at the end caught me by surprise though maybe it shouldn't have: **PDF Fairytales slashed words** The story also didn't follow a strict retelling so it's like reading a new story: **Kindle Fairytales slashed** The Mercenary's Wedding by Keelan Ellis was specially heartwarming for me as it tells the tale of this girl and her quest to find someone to love her as she is: **Kindle Fairytales slashed o** This reminds me of a celebrity news I read recently of how Tom Hanks told Rita Wilson that she didn't need to change anything about herself in order to be with him. **EPub Fairytales slashed dreams** And really isn't that what we all want for someone to love us as we are warts and all? So this short story really resonated with me, **Fairytales Slashed ebooks free** Overall I would recommend this to romance lovers especially those who love fairy tale retellings. **PDF Fairytales slashed dreams** All I can say is I am completely sickened by CinderLotte's superficiality and this entire story line usage of the Cinderella plot, **Book Fairytales slashed synonym** It's gone off the deep end of no honor no goodness Grimm end of fairytales with this twist on Cinderella, **EBook Fairytales slashed beauty** Story 2: Bearskin - Andrea SpeedGreat story by a great writer: **Kindle Fairytales slashed** Generosity of soul honor and all that wonderful stuff you expect when reading from a fairytale [slashed]. **Book Fairytales slashed dreams** Story 3: No Witch's Brew - Helena MaeveGreat detective story and until the very end I wasn't able to figure out what fairytale this novella was based off of, **PDF Fairytales slashed zero** The story reunion between the detective and his former lover was well developed and captivating: **Fairytales Slashed ebook** The mystery of the white phosphorus apples and now seven dead maidens were a great twist on Snow White. **Fairytales Slashed ebook** Dusan and Vladimir were your honorable handsome princely characters and the "evil" witch was magical and magic is in the hands of the user - neither good nor evil. **PDF Fairytales slashed book** A wonderful plot twist and near save for a very happy ever after for our prices, **Book Fairytales slashed dreams** This princess was magically afflicted in that every time she cut her hair it grew back the very next day. **Fairytales Slashed pdf converter** On the day she turned thirteen and every year thereafter her elder brothers one by one fell ill - mentally or physically: **Kindle Fairytales slashed beauty** The queen finally learned the only way to turn the situation around is for someone to be her daughter's true love. **PDF Fairytales slashed beauty** I thought this was a nice twist on Beauty and the Beast. **Fairytales Slashed ebook** Fantastic!!Story 7 - Dance Away - KM PenemueThese f/f stories are not my cup of tea; but I did read this and found it somewhat tedious and felt it was drawn out: **Book Fairytales slashed o** This is essentially a play on the dancing slipper/dancing princesses' fairytale, **Fairytales Slashed bookworm** The evil magician is stronger than the heroine Saffron and is fixated on obtaining the throne through Saffron's love interest Princess Aderes: **Fairytales Slashed booker** Story 8 - In the Land of the Damned - Camillia QuinnThis has to be one of the best fairytale slashed novellas I have never had the pleasure

of reading. **Fairytales Slashed kindle** The King didn't believe him and left to journey to Hell himself only to have been missing the past 5 years. **PDF Fairytales slashed book** Aldo never having really wanted the life he found himself in after passively fulfilling the foretold prophecy decides to take action for himself: **Fairytales Slashed booker** The Devil finds him and grim happily ever after for the Devil and his ferryman, **EBook Fairytales slashed book** A free copy was provided to me through Reading Alley in exchange for an honest review, **Book Fairytales slashed zero** Fairytales Slashed: Volume 7 At Last! Apr 13 2017 Something felt missing from this anthology, **EBook Fairytales slashed tires** I think it was the barest bones of a tale spun into something else that I didn't thrill to: **Book Fairytales slashed tires** Some were not known to me-- or maybe they were just a bit too off-centered to recognize: **PDF Fairytales slashed meaning** Either way I applaud these authors for their varying viewpoints and efforts, **EBook Fairytales slashed meaning** As far as the romance went what a pack of amazing stories all themed around the idea of fairytales with gay and lesbian characters, **Fairytales Slashed epublising** There were many gay short stories in this collection among them: 'Bearskin' 'No Witch's Brew' 'Lovers at the Lake' 'In the Land of the Damned': **Fairytales Slashed pdf24** 'Bearskin' could have been lifted straight out of the Grimm tales: **Fairytales Slashed kindle** I had a love and hate relationship with 'Lovers at the Lake'. **Kindle Fairytales slashed words** On the one hand it was very well written and had an interesting mythology that appeared to pull from Russian folklore combined with a little bit of The Little Mermaid's themes, **EBook Fairytales slashed beauty** On the other hand one of the main characters willingly entered into a spell that would risk his beloved's life if Dusan even \*thought\* that he was being unfaithful to him: **Fairytales Slashed pdf editor** I dunno it seemed a little bit sketchy and I couldn't believe that Prince Vladimir didn't take him to task for it, **EPub Fairytales slashed** The Devil made his reappearance again for a story of his own with 'In the Land of the Damned' which I absolutely loved thematically but also the story was really beautiful. **EBook Fairytales slashed** Years ago a child name Aldo came down into the Devil's land and asked him for three of his hairs, **Book Fairytales slashed zero** Now he comes back to save his father in law and finds that the Devil is in a bad state due to being separated from those parts of himself, **Book Fairytales slashed zero** The story is interspersed with Aldo's dreams of himself with the Devil and has quite the sizzling scene of them together once they are reunited: **Book Fairytales slashed zero** Of the lesbian stories in the collection those included: 'After Ever After' 'The Thief's Daughter' and 'Dance Away', **Kindle Fairytales slashed o** It's a post Cinderella inspired romance wherein Lotte falls in love with her lady's maid when Prince Phillip is neglectful shortly after their fairy tale wedding: **Book Fairytales slashed tires** 'The Thief's Daughter' is a Beauty and the Beast retelling with a bit of a difference: **Kindle Fairytales slashed o** But the interplay between the two of them is just gorgeous. **Book Fairytales slashed o** Finally 'Dance Away' seemed like an interesting fusion between Sleeping Beauty and The 12 Dancing Princesses but in a completely new and unique kingdom straight out of K, **EPub Fairytales slashed** The romance in this one actually took second place to the actual plot which there was a lot of. **Kindle Fairytales slashed synonym** Surprisingly I absolutely ended up loving Kimberline despite her being asleep for most of the story: **EPub Fairytales slashed o** Fairytales Slashed: Volume 7 There's nothing better than queer fairy tale retellings: **Fairytales Slashed booker** Am I right or am I right? \*\_\*However in this case I have mixed feelings. **Fairytales Slashed bookkeeping** There are stories that I loved stories that I had to force myself to finish and stories that were just meh. **Fairytales Slashed pdf drive** So I would have appreciated a bit more diversity and variety: **Book Fairytales slashed zero** Anyway there are great stories in this compilation and my favourite are AFTER EVER AFTER by Nicole Field and DANCE AWAY by K, **Book Fairytales slashed zero** \*I received a digital copy of this book from Netgalley in exchange for an honest review. **Kindle Fairytales slashed synonym** Fairytales Slashed: Volume 7 A collection of 8 gender slashed fairy tales, **PDF Fairytales slashed zero** Some stories are very sexually explicit you have been warned: **Fairytales Slashed epub.pub** Since it's an anthology I'll do a mini review of each individual short story using the summaries from the book (and also on Goodreads), **Book Fairytales slashed zero** Bearskin -Andrea SpeedThis story fit perfectly into my

notion of a fairy tale, **EPub Fairytales slashed beauty** I really enjoyed reading the cute moments between Arron and Joran: **Kindle Fairytales slashed beauty** Arron is a misfit who falls in love with another misfit for his personality and teaches some spoiled brats a lesson about superficiality and vanity: **Book Fairytales slashed beauty** No Witch's Brew -Helena Maeve This has many qualities of Snow White and the Seven Dwarves with the stepson named Snow the seven sick women and the poisoned apples. **PDF Fairytales slashed tires** It was a new and interesting take but kind of difficult to get into. **Fairytales Slashed ebook3000** The world building was somewhat confusing and there were almost no explanations given for minor details: **Fairytales Slashed kindle** TBH I skipped this one after a page and had to come back and read it later so I was not impressed: **Fairytales Slashed pdffiller** Lovers at the Lake -Asta Idonea I really enjoyed this for the fact that it's based on The Little Mermaid. **PDF Fairytales slashed tires** I don't know if that's giving away too much of the plot: **Fairytales Slashed pdfescape** But I didn't like the pact that Dusan made and how it ended up playing out. **EBook Fairytales slashed tires** I wish it were more like the original Little Mermaid tale even if she had to give up her love and being a mermaid: **Fairytales Slashed pdffiller** It features the only openly trans character in the anthology. **Fairytales Slashed booklet** The queen was pregnant with her seventh son when she desperately wanted a daughter: **PDF Fairytales slashed** After visiting a mysterious old woman in the woods she gives birth to a beautiful baby girl: **Book Fairytales slashed zero** Every year on her birthday one of her brothers falls ill so the king and queen try to marry her off: **PDF Fairytales slashed beauty** Unassuming Algar common born and an ex-soldier decides to court her Lotte comes to realize the ending she always imagined isn't what she expected: **Fairytales Slashed epub reader** Then she meets Meg a chambermaid in the palace and begins to wonder if she'd been imagining the wrong happy ending all along. **EPub Fairytales slashed words** Bearskin by Andrea Speed-A soldier returned from war instead of a warm welcome Arron finds himself homeless alone and dying of illness alone in a cave. **EPub Fairytales slashed meaning** When a strange man makes a bet Arron takes it: for three years he must live as an outcast telling no one the truth, **Fairytales Slashed pdf editor** No Witch's Brew by Helena Maeve-After the trenches of the Somme and a brief affair with a man well below his rank Alistair traded the soldier's uniform for an earl's suit. **Kindle Fairytales slashed meaning** Now widowed all that stands between him and prosperity is his late wife's meddling boy who has gone missing: **EBook Fairytales slashed zero** If finding him means rekindling ties with Colm D'Arsey avowed half-goblin and one-time flame so be it, **Kindle Fairytales slashed o** Lovers at the Lake by Asta Idonea-When Prince Vladimir stumbles upon a lake and goes for a swim he encounters Dusan. **EPub Fairytales slashed beauty** Determined to make her a princess once and for all a royal decree is issued: whosoever can tame the wild princess shall marry her and become king. **EBook Fairytales slashed meaning** The Thief's Daughter by Tess Amram-When a thief steals from B's garden taking a handful of roses and vanishing into the night she doesn't think much of it: **Book Fairytales slashed words** Petty vandalism is par for the course when your entire town hates you. **Fairytales Slashed booklet** What she doesn't expect is for the thief's daughter to show up on her doorstep ready to pay a debt B never asked for. **Book Fairytales slashed synonym** Penemue-Queen Saffron arrives in the kingdom of Vosetis for Princess Kimberline's birthday but there's no celebration in the air: **EPub Fairytales slashed synonym** Kimberline has fallen into a deep sleep and nothing can wake her: **Book Fairytales slashed tires** Even stranger her elder sister and Saffron's beloved the Crown Princess Aderes disappears every night and returns with ruined shoes, **Book Fairytales slashed zero** Desperate to regain his freedom Aldo goes in search of his missing father-in-law-and right back to the Devil he's never forgotten[1]

This is a good book to start with. Cinderella Lotte was not likable in this novella. It felt very bland. We got familiar companionship at best. Dance Away -K.M. Penemue I also LOVED this story. I can easily see it as a full-length fantasy YA novel. I enjoyed the parallel to the Odyssey and Dante's Inferno.tumblr.com/post. Fail and go to hell. Nice. Fairytales Slashed: Volume 7 This is fab. I particularly enjoyed No Witch's Brew by Helena Maeve. Though I'm unclear why the murders even

have to happen. Very Happily Ever After Thank You Very Much. Phew finally.... Each story was well-written but too far from the original. This has unexpected consequences as time goes on. This whole story was incredibly sweet.'After Ever After' was my contribution to the anthology.M. Penemue's imagination. M. Penemue. Most of these were pretty cute. Super cute and a refreshingly new tale. I also was not a fan of the characters themselves.The Mercenary's Wedding -Keelan EllisI LOVED this story. who acts and dresses like the rest of her sons. If he succeeds he'll get a life of warmth and comfort. If he fails he loses his soul. Dance Away by K.M. Fairytales Slashed: Volume 7.
