

Thick author Alexa Riley By Alexa Riley **Book thickness pages** Men like this need to go extinct just like women's belief in this cock-and-bull-story (fitting idiom isn't it?) Kindle Edition This wasn't my favourite one out of Alexa Riley's short smutty stories. **Thick rubber mats** Even having said that though I still gobbled it up in a hurry! This one is about a gentle giant and a woman named Teeny! You can put your imagination to use and figure out the basic plot in the story . **Thick jute rope** sorry if this is tmi ladies but lady red is visiting me right now and she's making me extra hornEE ☐ Kindle Edition This wasn't the worst Alexa Riley book I've ever read but it was definitely not even close to the best. **Thickhead font** If you want something SAFE short and always with a happily ever after then Alexa Riley is for you! Feel free to follow us each on twitter @smut\_sasshole @SassNSmutTeeny is tiny and her new neighbor Bull is huge. **Kindle this page uses too much memory** One day Teeny (18 year old virgin) is moving into her very first apartment meets Bull has sex with him a few times (can I just saw a resounding EWWW! to the whole 'he stuck his fingers into her and pushed his cum back up into her'???) and then gets engaged? Over how long a period of time is this story supposed to span? A week? If that?? I got this book because from the description it sounded like it would be a cute fun and quick read but as I forced myself to finish it I was audibly WTF'ng the whole way through. **Thick toenails** 5 stars☐In short:Hero 4/5 | Heroine 4/5 | Plot (Point Originality) 4/5 | Writing Style 3/5 | Steam 4/5 | Romance 3/5 | Angst-Suspense 2/5 | Darkness 0/5 | Humor 4/5 | Secondary Characters 3/5 | Drama-Conflict 3/5 | Mystery 0/5 | Twists 3/5 | Pacing Fast | Action 2/5 Kindle Edition 2. **Book thicker than water** I have some problems with the fact that the girl is 18 years old and they get engaged in a week but you see it in Disney movies and other romances so I can't be too harsh on that. **Thick rubber mats** The sex scenes are weird because of the size difference and the fact that this guy's equipment is roughly the size of a Louisville Slugger but it was cute (in a really odd way) and I liked the story overall. **Thick as thieves** Totally adored these two! Kindle Edition Sweet!!AR's stories are usually over the top but this one was so endearing and sweet!! I've just about read all of the authors books and this has got to be one of cutest I've read thus far,
