Or is this just another masterful trick by Liam Corvis luring her out of hiding to be captured and returned to the place of her worst nightmares? This time never to escape. **Lured by the Dragon booking** Lured by the Dragon This is book 2 of the Black Sky Dragons and I absolutely loved it when the hunters massacred their village the children were taken to siphon their blood to keep the rich young Liam and Reagan were taken now Liam has helped Reagan and the others escape but he changed Reagan's memories to make her believe that he betrayed her and she does. **Fantasy Lured by the dragon fruit** Now Liam is ordered by the doctor to get them back or he will activate the device that the doctor implanted in them but what will Liam do he wants to bring down the Paslar Compound and the evil doctor and save the others but how can he do it all by himself? well your just going to have to get this book to find out for yourself. **Lured by the dragonoid** 9798623516015 ONE NON-STOP THRILL RIDE!!! Holy hatband! Addison brings it when she comes and she came out swinging presenting one sensational delight ratcheting up the thrill of the chase bestowing such ingenuity imagination and unique insight melding this baby together sleek shiny and tight. **Lured by the Dragon booking** Rousting the drama intrigue tension betrayal turmoil danger mounting suspense and nerve racking situations along with a boatload of trouble while dodging calamity you have one block busting masterpiece. **Lured by the dragonzone** Still I've always been attracted to that type as well (was in love with Bugs Bunny when I was little -- LOL) so it was like I said before an interesting project to undertake. **Lured by the dragonzone** When Liam manages to free Reagan and several of the other prisoners he changes her memories to think he betrayed her so that she will leave him behind and not try to save him since he could not get out with them. **Lured by the dragonzone** But the doctor wants them all back and forces Liam to comply or he will kill them all - which he is capable of doing! How can Liam keep Reagan safe when her memory is full of hating him? And how can he destroy the evil doctor and the entire Paslar Compound to keep him from destroying the others? This is an excellent exciting story of the fate of the weredragons. **Lured by the Dragon booking** There is: dragon shifters humans hunters drama intrigue adventure action twists & turns suspense secrets mystery danger threats enemies/villains deceit betrayal memories unethical experiments manipulations devious plans vengeful feelings confrontations conflict violence love & a well-deserved.
