

Dukes of Madness (Royals of Forsyth University, #5) By Angel Lawson **EBook Dukes of madness** 5/5 Stars POV : Dual Cliffhanger : Yes Hero : Nick Remy Sy Heroine : Lavinia Pace of the story : Moderate Angst Rating : 5/10 Heat Rating : 5/10 Triggers Involved : non con past torture revenge and much more Plot Summary : Lavinia had not one but 3 monsters in her life. **Book Dukes of madness by john** Although yes their books have a crazy amount of triggers especially the Forsyth series because the heroes are downright unhinged but since I am a lover of dark romance I never have any issues with that. **Mystery Thrillers Dukes of madness project** I still can't exactly say that I like Lavinia but at least this book gave us a lot of her background and an explanation of why she is as broken as she is so I'm at least understanding her more and accepting her choices. **Mystery Thrillers Dukes of madness project** The story's pace is still slow but at least there is a lot more smut to make up for that and there is an actual plot and a colossal cliffhanger that is yet to unravel in the third book. **Book Dukes of madness combat** (4/5)I loved the side characters too: Dukes Bear crew and Friday night fight; the familiar Lords and their Lady; the other Royals and the power plays with the university and underworld backdrop. **Dukes of Madness Mystery thrillers spillers** Angel Lawson full review to come Angel Lawson I am just a girl sitting in front of her computer trying to process and unpack all that happened in this AMAZING second installment of the Duke's story. **Book Dukes of madness project** There were quite a few times during reading where I was literally saying "WHAT?" out loud and slowly going back and clicking together easter eggs that were hidden throughout the previous chapters and even books. **Book Dukes of madness by john** Nick - I will say I ended book 1 and started book 2 pretty much on the hate side of the line for "Pretty" Nick Bruin and I fully intended on starting a riot if he didn't do some NEXT LEVEL groveling before he even made eye contact with Vinny. **EBook Dukes of madness combat** He had such issues with Lavinia in book 1 and wasn't ever actually nice to her BUT he did in the end realize she WAS their duchess and he did risk himself to save her. **Dukes of Madness ebook free download** I also want to add here that while this isn't exactly "character growth or insight" Not only do Angel and Sam capture life with a mental illness so well but they also capture what living with someone you love having a mental illness so well. **Book Dukes of madness series** Reading Order: Lords of Pain Lords of Wrath Lords of Mercy Dukes of Ruin Dukes of Madness Dukes of Peril Dukes of Madness (Royals of Forsyth University #5)Wow I was worried that this second book would not be as good or entertaining as the first but it didn't disappoint!This book continues with Lavinia being rescued by Sy and brought back to slowly start recovering. **Book Dukes of madness book** While it was funny to see them all reject him and refuse to service him because he abused his Duchess I would've preferred that he stayed loyal because he wanted to and not because they all refused to sleep with him ☹️. **Dukes of Madness Mystery thrillers** why would the prostitutes refuse to sleep with him while he's broken up with Lavinia but be ok with sleeping with him as soon as they got back together? Makes no damn sense ☹️. **Book Dukes of madness interactive** I died when he STARTED CRAWLING THROUGH THE RAFTERS AND VENTS LIKE A HORROR MOVIE CREATURE peering through holes in the ceiling to spy on Lavinia to make sure she's not being dicked by the other guys ☹️☹️. **Dukes of Madness pdf reader** After Nick gets his head out of his ass he finally does all the right things like murdering some rando in exchange for getting information on Lavinia's missing sister risking his life for Lavinia to be able to get closure and murdering Lavinia's ex-fiance and gifting her his bloody head. **EPub Dukes of madness project** I know Remy and Sy think I'm a little crazy when it comes to her and maybe they're right because yeah I'm completely fucked right now—locked up no way out completely at the mercy of someone who wants revenge. **Book Dukes of madness by john** Special mention goes to how he immediately got a permanent tattoo of Lavinia's lipstick marks on his neck after she kissed it and the fact that he unashamedly has Lavinia Bruin as his laptop password in anticipation of wifing her ☹️. **EPub Dukes of madness** He starts out hating how attracted he is to her then nurses her when she's hurt they bond and teach each other things the fact he innocently asked if they were boyfriend and girlfriend made my cold dead heart feel warm and fuzzy inside ☹️. **Book Dukes of madness** And even before his massive fuck up which ended up getting forgiven and handwaved by Lavinia (because he has mental issues and was on

drugs) I wasn't very fond of the dynamic that was developing. **Kindle Dukes of madness quotes** Saved from the box by Sy and returned to the Bruins belfry Lavinia Lucia appears to have been irrevocably damaged from not only her time in the box but the rejection and betrayal she felt from Nick. **Dukes of Madness kindle app** Yep look out! Rating: [] [] [] [] Burn: [] [] [] 1/2 Darkness: [] Heat: [] Range of Emotions: [] [] [] [] Ending: CliffyPOV: [] [] [] [] [] {Multiple} [] Genre: Gothic Romance [] Tropes: College Reverse Harem Secret Society Kidnap/Captive Alpha/Alpha Hero(es) Grovel Touch-Her-and-Die [] Safety Squad: There are several triggers. **Book Dukes of madness tv** 5 stars TBR the rest when released Angel Lawson FML this was so good!! The complexity of the plot with all these hidden connections between characters and how secrets kept being revealed was mind blowing. **Book Dukes of madness interactive** In conclusion Nick went from thinking loving someone equaled to controlling and abusing that person to understanding he had fucked up and giving his love without expecting anything in return. **Mystery Thrillers Dukes of madness interactive** Admittedly the way he "discovered" p*ssy was the greatest and I can't deny that there's something stupidly sexy about a hot dude with a monster cock who has no experience and requires guidance: She goes a bit shell-shocked in the beginning (which only works in her favor because it helps Sy realize how much he actually likes her when she's sassy): **Kindle Dukes of madness project** But she recovers and is back to her badass self pretty quickly, **Dukes of Madness book pdf** I absolutely adore that she took matters into her own hands and extracted swift revenge against Nick for what he did: **Dukes of madness live** I laughed when she even roped Story into being her accomplice []: **Dukes of Madness Mystery thrillers spillers** Only thing I wasn't very fond of was near the end of this book, **Dukes of Madness Mystery thrillers** she seemed to lose some of her edge and was too forgiving and babying towards Remy: **Book Dukes of madness combat** This relates to my biggest complaint for this book I'll talk about later, **Kindle Dukes of madness series** He was definitely the nicest one throughout this entire book. **Dukes of madnesses** He was also the only one who made no move to cheat on Lavinia and showed no sexual interest in anyone else except her. **Dukes of madnesses** At first I was super worried based on reviews and comments about the irredeemable thing he did: **Kindle Dukes of madness project** Then I remembered that I'm messed up and consume massive quantities of depraved rape and noncon romance: **Book Dukes of madness interactive** I've always been into psycho heroes who use the just the tip scam on the heroines, **Book Dukes of madness quotes** And he felt remorse right after and even left his sex journal for Lavinia to read like it's a love letter to her []. **Book Dukes of madness series** Also.

Book Dukes of madness series

ALL MY REVIEWS CAN BE FOUND ON MY BLOG: ABSTRACT BOOKS Star Rating : 4: **Dukes of Madness Mystery thrillers** The man who claimed to love her but then hurt her broke her and then eventually betrayed her in the worst way, **Book Dukes of madness project** To be loved by him was a punishment for anyone and Lavinia was done, **Mystery Thrillers Dukes of madness quotes** She might hate them all but at least Remy and Sy saved her when she did not expect anyone to come for her: **PDF Dukes of madness interactive** She would make him feel all the pain and all the hate he deserves and she would get her revenge on him. **Book Dukes of madness** Maybe then people will remember again what she is and not cross her again: **Mystery Thrillers Dukes of madness 2** Like the third for revenge the upcoming payback??!! I wanted to read the next book so freaking bad, **Dukes of Madness Mystery thrillers spillers** He is the king of toxic lovers hell he gives the term 'toxic love' a new definition, **Dukes of Madness pdf reader** And then when Lavinia gave him a medicine of his own treatment??! Yeah that was so satisfactory [] [] I was cheering her for that lol. **Dukes of madnesses** These authors always have the darkest and most twisted books with heroes that you want to kill but the character growth is the best, **Dukes of Madness Mystery thrillers** You get to feel their growth every way in which they start loving each other and that is the best part for me: **Mystery Thrillers Dukes of madness project** Definitely recommending this series to all

the dark romance loving people! It's a bunch of twisted heroes RH and a queen heroine is your trope? Then don't miss this one. **Dukes of madness angel lawson** Website | Bookstagram | Facebook Page | Newsletter Angel Lawson Dukes of Madness was so much better than the first book! It was Lords level quality. **Dukes of Madness epub air** Although I still made more of an attachment to the Lords characters the Dukes are seriously growing on me especially Remy, **Dukes of Madness pdf converter** Unlike after the first book now I can't wait for the sequel! Angel Lawson Excellent the best of Forsyth What can I say? I loved it: **Book Dukes of madness by john** The rich plot the interweaving sub arcs the character development and transition were absolutely amazing. **Dukes of Madness kindle books** Such talented writing that I was held captive by this world of this exposed underbelly of Forsyth wrapped in character redemption. **Mystery Thrillers Dukes of madness interactive** The relationship they forged with a bit a give on all sides but not too much that their personalities weren't authentic to their original: **Kindle Dukes of madness edition** Nick was still the controlled bad boy that flaunted consequence in the face of protecting and loving his little bird. **Book Dukes of madness quotes** Remy was still mentally confused tethering on imbalance still artistic, **Book Dukes of madness project** Sy always a winner was moving past his repression trading skills with Lavinia, **Dukes of Madness booklet** Lavinia was still her feisty assertive person but hedging toward amenable their Duchess once the guys proved their worth. **Book Dukes of madness series** Besides the rich story and complex characters there was an abundance of humor. **Book Dukes of madness** Like laughing out loud! A well-planned balance of dark themes with levity and at just the right moments: **Mystery Thrillers Dukes of madness project** And how cool was the unconventional Bruin-Perelini family unit: mom dad and pops. **Book Dukes of madness book** There was also a lot learned more of the motivations of Remy's and Lavinia's fathers: **Kindle Dukes of madness books** An impressive yet deliberate unfolding of multilayered plot nothing is as it seems and while lengthy its complexity of story felt as if viewing a well-made riveting film. **Mystery Thrillers Dukes of madness 2** Heck of a cliffhanger and I can't wait for the next book: **PDF Dukes of madness project** We basically start off right where we ended in book 1 Dukes of Ruin, **Dukes of Madness ebook free download** If you haven't read that book READ NO FURTHER because there will likely be spoilers for that book: **Book Dukes of madness quotes** I will keep it as spoiler free as possible for Dukes of Madness though, **Mystery Thrillers Dukes of madness quotes** So we start off exactly where we ended in book 1 with Sy rescuing Lavinia from the chest and her psycho father, **Dukes of Madness epub torrent** They get back to the tower and that is where the story kicks off. **Book Dukes of madness** The web of plot sub plots tangled characters secrets and lies is mind blowing. **Book Dukes of madness quotes** It would be unfair not to talk about the fantastic character development and growth for our boys and Lavinia, **Book Dukes of madness project** I won't spoil anything but the character growth for Nick is so good, **Mystery Thrillers Dukes of madness quotes** I don't have to riot because he has earned my forgiveness. **Dukes of Madness booklet** What he does to prove his loyalty and love even if it isn't a pretty love but a mess tangled complicated one speaks volumes. **Kindle Dukes of madness** Sy - At the end of book 1 I was honestly on the fence about Sy: **Book Dukes of madness quotes** We also see a much more in-depth look into his insecurities and basically body dysmorphia issues and how it rules his life. **Book Dukes of madness project** By the end I felt like he needed to earn some of his love and trust back: **PDF Dukes of madness quotes** Remy - I have to say that Remy is one of the most tragically beautiful characters I have read about in a long time, **Mystery Thrillers Dukes of madness quotes** The representation of mental illness that Angel and Sam have done here is amazing: **PDF Dukes of madness interactive** For me personally I connected so closely with Lavinia Sy and Nick in regard to living with Remy. **Kindle Dukes of madness interactive** Life with Remy isn't exactly easy and the ones that love him each have their role in helping him to know what is real. **Kindle Dukes of madness** Lavinia - It would be so incredibly easy for someone who has been dealt the hand she was in life to fold in on their selves and give up but not Vinny: **Mystery Thrillers Dukes of madness project** She takes what life has given her and uses it to her advantage the best way she knows how. **Dukes of madnesslive** Angel Lawson

Two years of my life have been stolen by the Royals of Forsyth, **Dukes of Madness Mystery thrillers** It'll be painful and humiliating but in the end taking down the thugs and thieves and criminals terrorizing Forsyth will be worth it. **Book Dukes of madness by john** The Dukes of Madness is book 5 in the contemporary dark romance Royals of Forsyth U series by best-selling authors Angel Lawson and Samantha Rue, **Dukes of Madness Mystery thrillers** Nick stays away during Lavinia's recovery scared to see her rejecting him after his fuck up from the previous book, **Dukes of Madness Mystery thrillers spillers** Sy on the other hand improves his rank in the reverse harem by being a gruff sweetheart and almost single handedly nursing Lavinia back to health (physically and mentally), **Dukes of Madness pdf reader** I knew this boy was showing promise for being husband material at the very end of book 1 ☐, **Book Dukes of madness project** The heroine STILL Best Husband #1:Yes even after Nick's massive screw-up he's still my favorite psycho husband of the group ☐, **EPub Dukes of madness project** It wasn't looking promising at first but he DID eventually redeem himself. **Book Dukes of madness** I'll admit at first I was giving him the angry side eye when he kept trying to screw other women at Killian's brothel to get over Lavinia. **Dukes of Madness booking** I also will never understand the way these Royals do things, **Dukes of madness angel lawson** Nick is still the crazed jealous maniac that we know and love from the first book: **PDF Dukes of madness project** This guy will never fail to impress me with his psychotic stalking ways, **Dukes of madnnesses** Why is this guy so creepy and hilarious?! ☐I said it once and I'll say it again - Nick is so not the type for polyamory, **EPub Dukes of madness season 2** He was made for monogamy and it's sad for him but highly entertaining for us readers to watch him die inside every time he has to share Lavinia, **Book Dukes of madness tv** He spent almost the entire book on edge trying to make sure the other guys didn't bone her. **Mystery Thrillers Dukes of madness interactive** It's honestly refreshing to see such a jealous man in a reverse harem ☐. **Book Dukes of madness book** It flusters me to know they're probably getting rid of the head. **Book Dukes of madness book** Don't they realize that I brought it here for her? It doesn't matter I guess, **Book Dukes of madness project** The whole meaning of it was lost the second she opened her jaw and shrieked in horror at the sight of it: **Kindle Dukes of madness quotes** But I'd spent the extra time to saw it away and I'd been so excited to drive it over here to show her although now that I really consider it I don't know why. **Book Dukes of madness series** Nick groveled and redeemed himself and I actually felt kind of bad for him by the end, **Dukes of Madness kindle direct** They can be such psychos together and Nick loves it even when Lavinia directs that darkness at him ☐: **Book Dukes of madness quotes** "Are you smiling?"Also your man literally gave up freedom and stayed in a cage until Lavinia forgave him. **Dukes of madnnesses** Sy husband #2:I'd have promoted Sy to best husband now except Nick is just so psycho and amazing that it's impossible to overtake him: **Book Dukes of madness interactive** He and Lavinia have huge breakthroughs in their relationship here: **Dukes of Madness Mystery thrillers** Sy actually got way more development and screentime than Remy, **Kindle Dukes of madness combat** which is weird because Remy is shown prominently on this cover and was supposed to be the focus, **Dukes of Madness kindle books** Sy and Lavinia now have a give-and-take relationship where he trains

Lavinia in self defense and she coaches him on sex ☐, **Book Dukes of madness** Most of the time it involves giving him handjobs in bed while Nick agonizes over it while watching in the attic ceiling like a creeper ☐☐☐, **Book Dukes of madness tv** I thought it was adorable how passive aggressive Sy was about getting Lavinia to go to bed and jerk him off: **Dukes of Madness kindle unlimited** Sy is just starting to make his neurotic 'going to bed' noises and just like every night lately that routine includes walking by Lavinia every ten minutes, **Dukes of Madness ebookey**]I watch as Sy does another pass to the bathroom and sometimes I wonder how we're related. **EBook Dukes of madness 2** He's annoyingly obvious shooting her these little glances as he walks by. **Book Dukes of madness quotes** Sy and Lavinia's relationship is probably the most typical romance out of the group. **Book Dukes of madness** gets hooked on hard drugs accuses Lavinia of sleeping with his dad and cheats on her, **Mystery Thrillers Dukes of madness quotes** Basically my range of emotions towards Remy: Remy was a bust for me, **Book Dukes of madness project** Honestly I was never very into him but he really sunk to an all time low for me in this book, **Mystery Thrillers Dukes of madness 2** I always got the feeling he'd be the least loyal and most sleazy out of the guys and I was right. **Book Dukes of madness quotes** Almost every scene with him involved him needing to be babysat by Sy or Lavinia. **Dukes of madness angel lawson** While I understand he has disabilities I don't find it sexy or romantic that he needs to be babied and micromanaged by them: **Mystery Thrillers Dukes of madness project** And let's face it - despite how he protests and wants to say otherwise he does need them to. **Dukes of madnesses** He literally started using hard drugs as soon as Sy and Lavinia took their eyes off him: **Mystery Thrillers Dukes of madness 2** I honestly can't even imagine a realistic HEA for this story where Remy stays alive and doesn't accidentally kill himself either by flinging himself off a cliff or overdosing, **Book Dukes of madness tv** I've read romance stories where the hero has disabilities or mental health issues and many of them can still feel like amazing heroes that are sexy. **Dukes of madness angel lawson** The icing on the shit cake was him not even hesitating to shame Lavinia publicly at the fighting ring and use some other woman, **EPub Dukes of madness combat** I'm not sure there's much the authors can do to redeem him and make him likeable in the third book, **Dukes of Madness Mystery thrillers spillers** But in the end I'll still read and most likely enjoy the next book as long as the other three stay true to character: **Book Dukes of madness by john** Safety: * Heroine not a virgin lost virginity to someone else before the novels began: **Book Dukes of madness interactive** * Dubcon and noncon - Sy ends up raping Lavinia in public while drunk. **Dukes of madnesses** * Cheating! Remy chooses a different girl to be his cheerleader during his fight and after his fight he gets her to give him a blow job. **Dukes of madness angel lawson** Nick also attempts to sleep with prostitutes in order to get over Lavinia but none of them were willing to so he doesn't actually end up cheating on her, **Book Dukes of madness tv** And that cliffhanger *mindblown* On to the next book... Angel Lawson Dukes of Madness picks up immediately following the conclusion of Dukes of Ruin. **Dukes of Madness booklet** With mounting stress from all angles the Dukes are all on edge and making poor decisions in this installment. **Dukes of Madness Mystery thrillers** While we get good grovel from one of our Dukes I'm looking forward to an epic grovel from the other two because these Dukes... I love and loathe them in equal measure: **Mystery Thrillers Dukes of madness project** If you have any hesitation check the warnings before diving in: **PDF Dukes of madness** Otherwise blind is best!!☐ Type: Dukes of Madness is part of the Royals of Forsyth University world and ends on a cliffhanger, **EBook Dukes of madness combat** ☐ Be Advised: My Goodreads shelves are ... explicit in both senses: **Dukes of madnesslive** 5 stars Fuck the authors for writing such a mind-boggling cliff hanger AGAIN which I'll endlessly think about for the next few months, **Dukes of Madness pdffiller** Fuck Sy for literally rocking my whole world and changing the basis of my DNA. **Kindle Dukes of madness edition** ☐ Fuck Remy for being the cutest unhinged druggie of west end, **Dukes of Madness Mystery thrillers spillers** Y'all seriously need to get him to a psych ward tho☐ Fuck Nick because fuck Nick #boyfriendgoals #itsfinebecauseheloveshher #atleasthesaidsorry #justicefornick "I need to touch her. **Book Dukes of madness project** I have so many damn thoughts except any hopes of writing a comprehensive review can be forgotten: **Dukes of Madness**

epub free To put it shortly I have no idea how I became so attached to all the characters in the Dukes trilogy, **Dukes of Madness Mystery thrillers spillers** I don't know if it's the top tier writing the surprisingly layered characters with outstanding development or maybe the comedic interactions that make these books so hilarious. **Dukes of Madness booklet** The balance works so well I was actually giddy while reading this, **Book Dukes of madness series** Lords of Pain (1) - 2 stars Lords of Wraths (2) - 4 stars Lords of Mercy (3) - 3, **Dukes of Madness kindle store** 5 stars Dukes of Ruin (4) - 4 stars Dukes of Madness (5) - 4. **Dukes of Madness ebooks free** Even when this book suffered a bit from middle book syndrome just the character development was enough to blow my mind. **Book Dukes of madness by john** I love how much Story and her Lords were involved in this story: **Dukes of Madness pdf book** In fact the sorority from all women involved in this world with Lavinia was one of my favorite parts: **PDF Dukes of madness season 2** Story saying it was about time Royal women worked together got me so excited. **Mystery Thrillers Dukes of madness 2** I'm a person with a particular hard on for parallels in books. **PDF Dukes of madness full book** And the way this book's character arcs paralleled the first book's is mind blowing. **Book Dukes of madness book** The way the first book ends with Nick royally screwing things up and Sy and Remy on the right track and how in the second book it's the opposite? Pure poetry. **Dukes of Madness epub reader** The three Dukes' character development was the real reason why this book was so addictive: **Mystery Thrillers Dukes of madness 2** But by the end of this one he's probably my favorite?? How insane is that? I love it when an author manages to mind fuck me like this. **Dukes of madness angel lawson** The slow blossoming of a real relationship between Nick and Livvy was so well done. **Dukes of madneses** The pace was insane and what she did to him as revenge was chefs kiss, **Dukes of Madness epub free** We need more women in fiction taking things to crazy levels to get revenge please, **Mystery Thrillers Dukes of madness quotes** Nick's acceptance of his punishment was cathartic to say the least. **Book Dukes of madness project** And here's the reason why I'm obsessed with these books: he realized what he was doing to Livvy was wrong apologized and changed, **Book Dukes of madness summary** He showed patience and understanding and his willingness to protect her no matter what was such a turn on, **Book Dukes of madness interactive** And his awe at Livvy offering herself freely to him had me melting, **Book Dukes of madness** Sy and his body dysmorphia with his ginormous dick was the best part of the first half of the book, **Book Dukes of madness series** The way he took care of Livvy and nursed her back to life the intimacy that grew between them: **PDF Dukes of madness quotes** Even his stupid relationship with the cat ugh my heart was literally fucking swooning: **PDF Dukes of madness quotes** The deal they made to help each other consumed me for a great part of the story. **Book Dukes of madness by john** But ultimately Sy lost a few points with me with his selfishness in bed: **Dukes of madneses** There's nothing hot about a dude focusing on his own pleasure: **Book Dukes of madness interactive** That scene with Remy Sy and Livvy was the hottest in the whole book by far: **Dukes of Madness ebook3000** And the way Lavinia stayed put and allowed him to continue was heartbreaking. **Book Dukes of madness by john** She truly cared for him by then but Sy was too blindsided by his own issues and traumas to just let it all go for her: **Book Dukes of madness summary** I can't wait to read his character development in the next book because the glimpse at the end of this was fucking amazing: **Book Dukes of madness quotes** And I still have hopes for them to find a way to have satisfactory penetrative sex pretty please. **Kindle Dukes of madness series** When he asked Lavinia if she was his girlfriend... like I want to be annoyed at how stupid Sy can be sometimes but he's too fucking adorable. **Dukes of Madness epub reader** On the other hand Remy was a bit too absent in the first half of the book for me to buy his insane chemistry with Lavinia, **Book Dukes of madness tv** I wouldn't have minded if they had shared more scenes together: **Book Dukes of madness summary** Until he completely lost his marvells and had another girl give him a bj: **Dukes of Madness ebook reader** I understand he was suffering a breakdown but he knew what he was doing and he did it on purpose to hurt her to punish her for talking to his father (just talking!). **Dukes of madness angel lawson** Like fuck you asshole :) Something I found fascinating was how the harem aspect was explored here: **Book Dukes of madness by john**

Lavinia would go to one of them when another failed to satisfy her. **Book Dukes of madness quotes** She seemed to understand pretty early on the perks of having 3 guys at your disposal and she wasn't shy about seeking them out which I loved, **Dukes of Madness kindle fire** Getting to read someone as closed off as Lavinia to slowly unravel and open up to these men was so well done too. **EBook Dukes of madness season 1** I loved her character growth in this book and how genuine it felt when she had real feelings for all of them by the end of the book. **Book Dukes of madness book** That cliffhanger was pure evil and I have no idea how I'll cope until this fall to read the conclusion[1]

Lavinia:Your girl Lavinia is still badass and awesome.Nick.

Mystery Thrillers Dukes of madness project

Then fall in love.but then I reached the part about the party and was like.I thought that party scene was hot ☐. And the biggest one of them might be Nick. His love was toxic. When Nick betrayed her. And now he would pay. Overall Opinion : Omg. That cliffhanger last time killed me. And I hated Nick. Like I loathed him. I am loving this series so much. But mind the triggers like I said above as well. She is however perfect for the Dukes. And let's not forget the rambunctious entitled Archduke. Everyone ceded love to the kitten. And then the spice was so hot. More about Tate and Leticia too. The depth of the story is insane. We see his true protector side come out. He does start to make real breakthroughs during this book. I LOVE his relationship with Archie though lol. That whole evolution of their relationship is hilarious. By the middle of this book I LOVED Sy. She is a total BOSS. She is so strong and courageous. She shows those boys who really owns who. Two years of captivity and hell. Two years at the whim of powerful men. I spent that time seeking freedom. Now I want nothing more than revenge. It won't be easy. I just have to decide who to go after first.Could've done without that.But anywho. I was SWOONING at his gestures of love. I'm glad they finally made up. In my opinion Nick matches Lavinia the best.Christ. My girl is a fucking sadist.Into the suffocating darkness of my cage I grin.[. And it's a physical battle to stop myself from smiling. Clearly I fail. She freezes lip curling. None of the Lords would've done that for Story. This guy is whipped for his girl. Sy was an adorable sweetie in this book though. But I ain't gonna complain because I do not like Remy.[.Remy the least favorite husband:Meanwhile Remy. uh. But with this one Remy just felt manwhore-ish and gross.All in all I still really enjoyed reading this book. Lavinia Nick and Sy are great. I could really do without Remy.* Only Sy is a virgin. Nick and Remy both were manwhores. Angel Lawson These characters have me in chokehold. Did I mention the WTF cliffy. This series must be read in order. As such they could be considered spoiler-y. Angel Lawson 4. I will always forgive you Sy. My repressed sexually stunted monster-cocked misogynist. I need her to look at me. I need to taste her. I need everyone to know she's mine. I need her to know she's mine. I need her attention. I need—" "What you need is massive amounts of therapy. I mean Jesus Christ Nicky." A hug for Lavinia. Never disrespecting my mother. And lastly.fuck this shit for being so good. Did some parts perhaps drag? Sure whatever. It was still worth it. And her friendship with Lavinia was my everything. I need more of this in the next book. Take Nick for example. I absolutely despised him by the end of the first book. That scene with the pistol had my heart racing. And that was my fucking everything.What happened at the end of the book with Sy though. I was expecting this. Ugh. The way she panted after him was a bit too much. After they finally had sex things got better tho. Angel Lawson.
