

His Assistant Obsession (His Obsession) By Gia Bailey **Book His Assistant obsession netflix** Khan is going to turn his new temporary assistant into a permanent a part of his life but what happens when gunmen attack while they are at a black tie museum gala? Gia Bailey **Book His Assistant obsession nandina** **Book His Assistant obsession netflix** **His Assistant Obsession booker** **Book His Assistant obsession synonym** As many kids as you want homes wherever you want to live your own gallery to manage... whatever life you want this is our world now buttercup and you can have it all” While not my favorite of Bailey’s books because the plot was all over the place Khan’s love (obsession) with Eden and devotion to her takes the cake Gia Bailey

Gia Bailey loves to write steamy sweet short romances to keep her warm during the cold Scottish nights. **His Assistant Obsession epub.pub** When not writing she lives with her own burly Russian mountain man and all knowing four year old and enjoys baking reading jumping in muddle puddles (it’s Scotland so there are lots) and inventing elaborate dreamworlds to play in. **Book His Assistant obsession netflix** Steamy Romance High Heat High Emotion No cheating No cliffhangers HEA guaranteed Keep up with Gia by following her on Facebook or join her mailing list here: {site_link} {site_link} I’m the boss. **Book His Assistant obsession netflix** Khan was surprised that his new temp Eden met him the boss who usually scared everyone off with his brutish demeanor then she made sure she was the best assistant he has ever had. **His Assistant Obsession booker** Will Eden accept the violence within him? Will she realize his strength would never be directed at her but only there to protect the woman he loves? Recognizing their feelings for each other could this be the start of something special? Gia Bailey When I started reading Eden and Khan’s story I had a completely different expectation then what I got. **His Assistant Obsession booker** Does he really like Eden as this chemical attraction leads us to believe from the beginning with Eden working for a man that clearly no one else can survive working for but apparently she can; or are his intentions pure and in her best interest. **EPub His Assistant obsession book** Instalove sweetsteamy romantic and safe with sweet banter and a great HEA and no drama **Book His Assistant Obsession netflix** Gia Bailey Fate has a way of shifting our point of view on everything through someone else Khan sexy as all get out boss with a reputation of being an unbearable unrelenting in achieving his goal at work expecting others to work just as hard as he does every day and he is alpha personified a little over protective (okay a lot ☹️) but who complaining so when his new assistant walks in there is a shift in

flushed and her hips wiggled against me: **His Assistant obsessionnel synonyme** "I'm going to spoil you and give you the life you deserve: **His Assistant obsessionnel synonyme** All her heroes from mountain men to billionaires are possessive obsessive alpha males who go OTT for the women they fall for, **Book His Assistant obsession netflix** And the heroines? Shy sweet smart ambitious and everything in between these ladies always get their happy endings, **Book His Assistant obsession netflix** After all life's too short for anything other than a HEA, **Book His Assistant obsession netflix** Khan Eden walked into my office and met the beast of the boardroom or so they call me but it didn't scare her off not at all, **Book His Assistant obsession netflix** Instead she buckled down and became the best assistant I've ever had, **Book His Assistant obsession netflix** I need her close I need to know everything that was going through her beautiful mind: **EPub His Assistant obsession book** When thugs take over the event we are attending trying to steal the special exhibit I will protect Eden no matter the cost: **His Assistant Obsession epub.pub** I might fly private and live in luxury now but I wasn't brought up this way, **His Assistant Obsession booker** I was brought up a street hustler a violent bruiser and I'm still that man underneath my suit. **Kindle His Assistant obsession book** His Assistant Obsession (His Obsession)This story did a lot of leaping around and leaving things out: **Book His Assistant obsession netflix** One minute something happened the next it's the next day and you don't know how it got there, **Book His Assistant obsession netflix** well there really wasn't one so that was just wishful thinking that I could possibly write a review about one, **Book His Assistant obsession netflix** This whole thing just fell flat on its face and never recovered enough even to attempt to get back up: **Book His Assistant obsession netflix** The author didn't flesh him out enough to make him even remotely likable: **EPub His Assistant obsession book** There was hardly any background information on him or even on the FMC for that matter: **Kindle His Assistant obsession book** There were hints here and there but the author never settled on anything that would make the real to the reader: **Book His Assistant obsession cast** They were more like paper cut-outs than characters that felt like they'd leap off the page: **Book His Assistant obsession netflix** I think that is an important element when writing a book. **His Assistant Obsession booker** I mean no one in their right mind would EVER talk to their boss the way this girl did, **Book His Assistant obsession netflix** So far in every book I've read of hers the MMC would tell the FMC You've taken up all the space in my head. **Book His Assistant obsession netflix** Is that really necessary to put into ALL of your stories? It's a bit: **His Assistant Obsession epub.pub** well remember the road to nowhere? Yeah this was the storyline/plot to nowhere: **Kindle His Assistant obsession book** I can't even give it a one-star rating and that's pretty sad. **His Assistant obsessionnel synonyme** He was attracted to her from their first meeting obsessed actually and felt his protectiveness rise up to keep her safe, **Book His Assistant obsession netflix** Khan's own past history contains violence living on the streets and needing to fight to survive. **EPub His Assistant obsession book** Though circumstances have changed he is still that tough man underneath. **His Assistant Obsession booker** So when thieves crash an event and put Eden in danger Khan is ready to keep her safe and protected no matter what he has to do to make that happen, **Book His Assistant obsession netflix** When you read many love stories they become predictable so it is refreshing when the author can go off course especially in a series and shake things up, **EPub His Assistant obsession book** While Khan by all means is all alpha male hot and out to get what he wants. **EBook His Assistant obsession nandina** However there was this stalker vibe going from Khan and it brought confusion to the table, **His Assistant Obsession book** I was definitely hooked on continuing to see the book through every page to the end: **Book His Assistant obsession netflix** I was so excited to know how Eden and Khan's story ended. **His Assistant Obsession kindle books** So just like I said in the beginning this was a different twist than expected and I really enjoyed it, **Book His Assistant**

obsession netflix I received a free copy of this book via Booksprout and am voluntarily leaving a review. **Book His Assistant obsession netflix** Gia Bailey Eden is the new assistant of the CEO of Aslan security: **His Assistant Obsession kindle books** I received a free copy of this book via Booksprout and am voluntarily leaving a review. And there was one time she was super naive. I don't just want you... I'm obsessed with you. I love you. She groaned rising now. I've been called a bully a brute unbearable. I've never cared about other people. But she's different. My new assistant. My obsession. As for me from first glance I was lost. I'll keep Eden safe no matter what. She belongs to me and I don't share. The spice level was pretty nil as well. The plot. The MMC wasn't a very good character. Making the subjects almost life-like. And these weren't anywhere close to that. The FMC was bratty. Too bratty for the job of an assistant to a CEO. She was too snarky too bold and too out of place. One thing to be said about this author is. She likes to re-use phrases. Umm. okay. hokey. There was such a poor attempt at a storyline that. Gia Bailey Khan and Eden . . It was not something bad actually just the opposite. Eden is strong smart and feisty as hell. Khan Aslan is obsessed as soon as he meets Eden. Nothing and nobody can stop him from claiming his woman. As soon as her temp job ends. Eden sweet arriving to the office where she has a temp. Gia Bailey.
