

Full Moon Mating (Wolf Creek Pack #1) By Stormy Glenn **Full moon madness horse** This big giant dude holding this 5'7" dude in his lap like he's a baby while he takes a nap? Sends him to his room for disobeying him but didn't ever tell him why but still decided to come up stairs and fuck him into the mattress without uttering a word. **Book Full Moon mating animals** Yep GO PACK!! 1606013009 I'm giving every book in this series two stars because they're badly written and the characters are all obnoxious clichés.

About MeI believes the only thing sexier than a man in cowboy boots is two or three men in cowboy boots. **Full Moon Mating epub** When I'm not being a mother to my six teenagers or cleaning up after my two 70 pound lap puppies you can usually find me cuddled in bed with a book in my hand and a puppy in my lap. **Book Full Moon mating animals** com What do I do ? I'm a writer of erotic paranormal werewolf futuristic contemporary About MeI believes the only thing sexier than a man in cowboy boots is two or three men in cowboy boots. **Book Full Moon mating dogs** When I'm not being a mother to my six teenagers or cleaning up after my two 70 pound lap puppies you can usually find me cuddled in bed with a book in my hand and a puppy in my lap. **Full Moon Mating kindle unlimited** He was a major asshole in my book for a lot of reasons but when Roger broke in Nate called and said someone broke in and I bashed him over the head and tied him up what happens then? Huh? Joe acts like an arrogant overbearing stupid jerk and I'm being nice here! So. **Full moon madison wi** what does Joe and big Daddy do? They treat Nate like a small stupid child sending him to his room and not even asking him what happened just believing Roger! HELLO! Joe is supposed to be Sheriff and he doesn't think there is something fishy about the whole thing? Small Nate overpowering and dragging big bad wolf into the house? really? he didn't even listen on the phone close enough to remember what he said? Didn't ask him 'hey babe what happened?' nope send him to his room and take care of the little baby! Ugh! Then he comes up and Nate has locked the door so what does he do? breaks down the door and has sex with him in my book it doesn't matter that Nate got into it for me it was at least dub-con! Then after the punishment is there a talk between our MC's you ask? NO. **Book Full Moon mating animals** but he walks right into a trap that he knows is a trap with only one other shifter to help him! The other shifter is shot immediately so of course poor Nate has a gun held to his head because do I need to say it again? Joe is stupid! 1606013009 I must admit starting this book I did have my reservations. **Book Full Moon mating season** But Full Moon Mating had steamy sex an endearingly vulnerable main man in Nate a massive turn on in the form of the dominant and possessive Joe and something that I personally have an addiction to. **Full Moon Mating ebook3000** There were tons of other completely nonsensical issues including the fact that Nate is raised for twenty years in a hidden facility escapes from it because he wants to live his own life but then has no qualms about the new imprisonment he is warned will be his life as a werewolf mate. **Full Moon Mating pdfescape** 1606013009 In the shapeshifters genre (in general not gay romance in particular) you can have two types of hero the big and strong alpha man a bit mourning who is always running away from his life regretting the loss of a normality he has never had or you can have a shapeshifter as big and strong but who is totally helpless in the hands of his little mate. **EBook Full Moon mating animals** First of all I'm obviously not reading a paranormal romance to find reality and second it's within the genre that the partner of an Alpha Male is usually an omega meaning that he or she is physically weaker but way more clever than the partner in "human" words you can say that one is the body (the strength) and the other is the mind (the intelligence) the both together make a perfect couple. **EBook Full Moon mating season** So yes Nate the small omega man is all shy and skittish he clings to the bigger Joe like he is his personal tree to climb and search shelter from the big bad wolves and since he likes Joe it doesn't matter that searching refuge in his arms he is putting himself in the hand of an even more dangerous wolf. **Full Moon Mating kindle reader** Nate sits on Joe's lap he is the perfect housewife

he pleads for sex in a so wonderfully submissive way he has even a good relationship with Joe's mother arriving to exchange sexual tips with her on how to deal with a werewolf mate... Does it seem to you that Nate is a bit too feminine? Maybe yes but this is often the case in a gay romance between Alpha and omega as it's clear that the supremacy is only physical and Nate is perfectly conscious that he "allows" Joe to be the leader of their small pack made of two men: like a prince who grants a privilege Nate is allowing Joe to love and cherish him. **EBook Full Moon mating animals** When Nate arrive in the small town of Wolf Creek he doesn't know that he is stumbling on his better luck: Joe the town sheriff is gay and being a werewolf he also immediately understands that Nate is also his mate. **Book Full Moon mating animals** If maybe sometime Joe will behave a bit too much like an obtuse and treat Nate like a three years old baby unable to take a decision well Nate will probably save the information for a later time when he will use it to force Joe to do what Nate wants... after all yada yad. **Book Full Moon mating animals** The tall handsome sheriff and his offer of a safe haven intrigue Nate but he's afraid that if he sticks around the sheriff will discover his secret a secret that could make the sheriff hate him, I rolled my eyes so much while reading this garbage that I thought my eyes were going to get stuck: **PDF Full Moon mating horses** Sooooo Nate escaped some facility where he was being controlled by this Teacher guy because he wanted to be free: **Full Moon Mating pdffiller** and I've been reading a lot of books out of my comfort zone lately and they have been AMAZING.

Book Full Moon mating animals

So I tried to stay on that path, **Full moon madison wi** A lot of drama that it didn't have his place! I think the author didn't know how to put the wipping part in the story: **Book Full Moon mating animals** Everything it could have resolved with a simple question like what happenedBut noooo Nate it send upstairs without a single word like a 5 years kid: **Full Moon Mating pdffiller** yada.

When Joe come home and find his mate with a stranger in the HOUSE he yell at nate and dosen'r ask anything, **Book Full Moon mating animals** And really??? Dosen't Joe see that Roger ththat is in the HOUSE?? when he said he will leave the file on the portch? Dosen't scream anything???I can't get over that, **EBook Full Moon mating season** that's a fight? It was supposed the Teacher to be a very powerful guy right? IT's a joke! All the book is about how Nate run from the teacher and how evil is . **EPub Full Moon mating season** Oh and all the pack come in to help after everything is done: **Full moon madison ms** I also believes in love at first sight soul mates true love and happy endings: **EPub Full Moon mating horses** I live in the great Northwest region of the USA with my gorgeous husband and soul mate two boxer/collie puppies one old biddy cats and three fish, **Book Full Moon mating animals** Or on my laptop creating the next sexy man for one of my stories, **Full Moon Mating book** I also believes in love at first sight soul mates true love and happy endings, **Book Full Moon mating season** I live in the great Northwest region of the USA with my gorgeous husband and soul mate two boxer/collie puppies one old biddy cats and three fish. **Full Moon Mating ebookee** Or on my laptop creating the next sexy man for one of my stories, **Full Moon Mating bookworm** com What do I do ?I'm a writer of erotic paranormal werewolf futuristic contemporary gay and Ménage a Trois romances: **Book Full Moon mating season** I'm currently published with Siren Publishing Torquere Press and Noble Ellora's Cave: **Full moon madison wi** {site_link} This story started with Joe a cop in the small town of Wolf Creek responding to a robbery and encountering an out-of-towner Nate. **EPub Full Moon mating press** Joe felt an immediate pull to this guy and it wasn't even the full moon. **EPub Full Moon mating dogs** The new guy Nate was skittish and seemed uncomfortable talking. **Full Moon Mating pdf editor** Eventually Nate trusted Joe and revealed he was hiding out from someone pursuing him: **Full moon madness** Joe returned this trust by revealing that he was a shifter a werewolf and that he believed Nate was his mate.

Book Full Moon mating dogs It seemed that the two lovers would be okay until their relationship was threatened both by an inside threat and an outside threat. **PDF Full Moon mating season** These threats force Joe to make decisions as the enforcer of his clan as opposed to Nate's mate: **Full moon madison ms** He made Nate feel adolescent and it made it weird to hear the sex scenes, **Full Moon Mating ebook reader** I think the writing contributed to that because sometimes Nate acted like a kid and so Joe treated him like such: **PDF Full Moon mating animals** He didn't discuss things he should with a partner but instead Joe made decisions for Nate, **Full Moon Mating book** I liked the relationship Joe had with his family and how accepting and protective his parents were of Nate. **Full Moon Mating ebook** It's a book one so I hope the author will spend more time developing both her characters and the overall plot of the story: **EBook Full Moon mating** There is potential here and I hope the next book takes the series to the next level, **Full Moon Mating epub** **Audiobook given by author in exchange for an honest review 1606013009 Ugh! Boy I sure am bombing out in the MM mate department. **Full Moon Mating ebook reader** 1606013009 I seem to be in the minority here but I really really disliked this book mostly because of Joe! The cop/were shifter, **Full moon madness meme** no apology from Joe that he didn't even talk to Nate about what happened and Nate doesn't give Joe a piece of his mind about that either! Idiots! Then. **Full Moon Mating bookkeeping** when at the end Roger is with the Teacher Joe glares at Nate like it's his fault for not asking for retribution. **EPub Full Moon mating press** I'm not even going to get into the part where he wants Nate to just stay at the house and wait for him all day. **Full Moon Mating kindle unlimited** and take care of him and talk about having kids before they even have spent 2 days together. **Book Full Moon mating humans** there are ALOT of mm shifter books out there and some of them just don't make the cut in terms of plot relationship feasibility intrigue and (most importantly) sex ;): **Full moon madison wi** So overall I quite enjoyed this book (even though I was mainly hungover while reading it) :D Maybe 3, **Full Moon Mating pdf drive** 1606013009 I don't usually leave awful reviews but I found this book to be awful, **Book Full Moon mating animals** In the beginning I thought it had a lot of potential and I was happily devouring it: **EPub Full Moon mating horses** Then on page 33 at a POV change the entire story hit a cliff edge and dived off, **Full Moon Mating bookworm** The character Nate goes from being a vulnerable enigma to a pathetic child, **Full Moon Mating pdf converter** Characterization that had been established suddenly changed with no real understanding as to why: **Full moon madison ms** For 33 pages I was led to believe that Nate can't talk: **Full Moon Mating pdf filler** The author did a good and believable job of having him communicate in many other ways. **EPub Full Moon mating season** This story needed to be edited in the absolute worse way: **Full moon madison ms** The same thing over and over and the author never realized she could skip it after the initial telling and start a new paragraph with After Nate told his tale: **Full Moon Mating epub** In another glaring editing blunder they make a big deal out of their two-month anniversary then Nate says it's their three-week anniversary: **Full Moon Mating ebook** A little later Joe is outside the car but still manages to bang on the steering wheel which is plausible but not at all set up that way in the scene, **Book Full Moon mating animals** Other than the need for a competent editor I began to actively hate the characters: **Full moon madison wi** I'm not even going to bring in my personal dislike for fluffy/sappy stories with heaps of melodrama because written well I can still enjoy the story: **Full Moon Mating kindle paperwhite** I'm talking about the fact that Nate didn't just denigrate into a chick-with-a-dick character; He became a child. **PDF Full Moon mating** Joe treated him like a child so much so that baby quickly became a label rather than a term of endearment. **PDF Full Moon mating season** Nate actually comes to Joe's room pillow in hand and asks to sleep with him (and not in the carnal sense): **EPub Full Moon mating press** Nate is sent to his room which to be fair he realizes is a thing you do to a child but he never actually addresses the issue: **EBook Full Moon mating season** Nate is sent upstairs to go get your blanket so they could cuddle wherein he conveniently falls asleep in Joe's lap. **PDF Full Moon mating season** I hated Joe with a passion because not only was he insulting he was an incompetent blow-hard: **Full Moon Mating ebooks online** The fact that he is a most excellent cook regardless of the fact that he states he only ever

read about cooking before was another eye-roller. **Full Moon Mating ebooks free** For me this book goes into my very small bin of Completely Unreadable books: **Full Moon Mating ebookers** This second type of hero usually leads to more light and funny stories. **Full Moon Mating pdf editor** From that moment on Nate will have not to worry of the men who are searching him the same men he is running away from for the last two years, **Kindle Full Moon mating dogs** From that moment on Nate will only worry to please Joe and Joe will unconditionally love him back, **Kindle Full Moon mating press** and quest what but the story is interesting enough for me to want to find out what happens in the next one, **PDF Full Moon mating animals** 1606013009

It's Nate the mind of the couple. <http://www.amazon.com/dp/1606013505/?>. 1606013009 .wtf did I just read.I mean seriously.what.the.fuck. honestly this just sucked.Yada Yada ONLY to end up with Joe. who pretty much treats him like a kid. At least that's how I saw it. I just COULD NOT get down with this one. this book has caused me to take a break from that. It was really really that bad. 1606013009 It could have been a very good book. It had the possibility and the plot to be a good one.BUT.It was annoying and without meaning.This throw the whole mate thing for a loop.I mean the mate is supposed to be the most important .Joe is a pigheaded.!And the fight with the teacher. and is.a little guy with a gun.I welcomes comments from readers so drop me a line. stormyglenn@hotmail.I welcomes comments from readers so drop me a line. stormyglenn@hotmail.I have to say that the narrator wasn't good. That added to the sweetness of this story. Stupid.I actually have a lot more I hated about this story.but I'll only mention one more thing.remember we are talking about the Sheriff here. super powers (other than being a werewolf of course :P).5 - 4 stars. It was compelling reading. Then he can talk and just says Of course I can talk. Oh yeah of course. Insert eye roll here. It gets worse from there. Nate tells his back story to Joe. Then he tells it to Joe's father. Then he tells it to some other people. Nope I was subjected to it multiple times. The retelling of several things occurred throughout the book. Worse a preteen. Please insert more eye-rolling. It also gave me several headaches from the eye-strain. I would tell my best friends to avoid this one. 1606013009 I like Stormy Glenn style. But for me she really miss the mark on this one. This was a little to dang set back in time. It one thing being positive.it's another treating one as if they lived in 1950. And go to your room really?. Are they realistic? No. Does it matter? Absolutely not
